I wish to remain in my current School/College

I, _____ (full name), request that a faculty member of the UWM Department of Political Science complete a declaration of major form on my behalf so that I may declare a political science major. I hereby provide permission to any member of the Undergraduate Committee in the Department of Political Science to access my academic records to confirm my eligibility for declaring this major at this time. I have reviewed all of the requirements for completing the political science major as specified in the UWM Undergraduate Catalog and understand that I must satisfy them in order to graduate with the major at UWM. I also understand that I may see an undergraduate political science advisor if I have any questions regarding these major requirements.

NOTE: Students who have restricted the release of their directory information should not utilize this form and the online process for declaring their major. Such students should declare their major in an appointment with a political science advisor.
