

Building a Talent Pipeline: All Roads Lead to Partnerships

Morna K. Foy, PhD

President, Wisconsin Technical College System

Finding Talent

- The whole world is hiring
- Working environment, advancement opportunities
- Updated terminology, remote work

The background features a large, light blue watermark of the Wisconsin Technical College System logo. At the top is a semi-circular arc of small squares. Below it, the words "WISCONSIN", "TECHNICAL", "COLLEGE", and "SYSTEM" are stacked in a large, sans-serif font.

**YOUR local technical
college = the road to
your success**

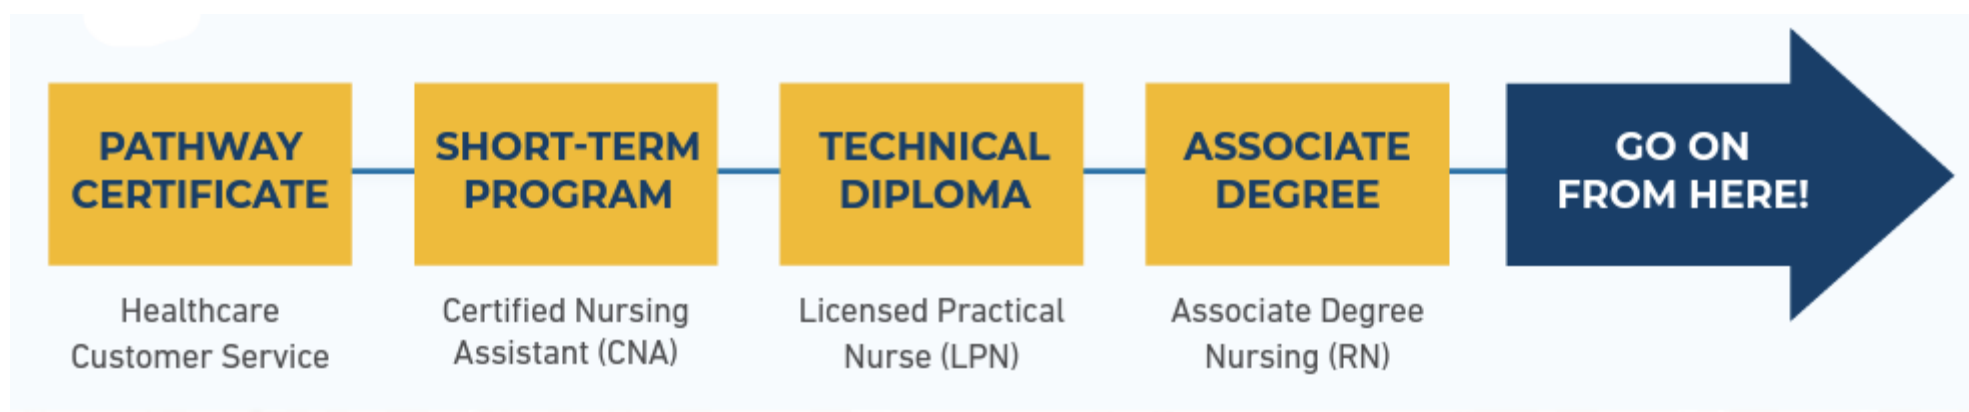

Pathways to Careers

Partnerships

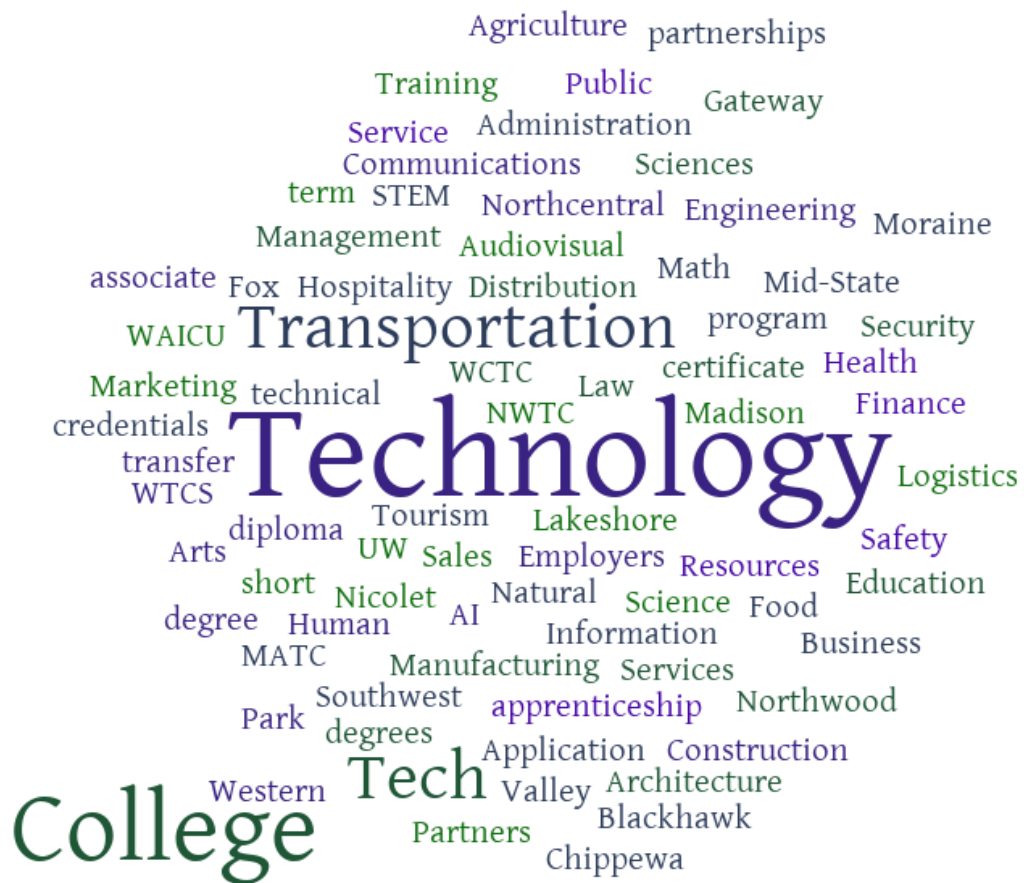

We Were Built for This Moment

Stackable Credentials

The future of education!

Building on Credentials

Transportation pathways

- Facility and Mobile Equipment Maintenance
- Health, Safety and Environmental Management
- Logistics Planning and Management Services
- Sales and Service
- Transportation Operations
- Transportation Systems/Infrastructure Planning, Management, and Regulation
- Warehousing & Distribution Center Operation

Transportation Associate Degrees

Aeronautics - Pilot Training

Aircraft Electronics
