INVESTIGATE HEALTHCARE AT UWM

Explore our programs that lead to careers in healthcare – Nursing, Medicine, Pharmacy, Public Health, Kinesiology, Healthcare Administration and more!
PREPARE FOR A HEALTHCARE CAREER AT UWM

Whether you know exactly what you want to major in or are still considering your options, explore what UWM has to offer you!

→ Speak with representatives from Nursing, Health Sciences, Public Health, and all of our pre-professional programs (medicine, pharmacy, occupational therapy, veterinary, dentistry, optometry, chiropractic, physical therapy, dietetics, athletic training, and physician assistant)

→ Tour labs
→ Hear from current UWM students
→ Learn about the admissions process

Visit us! **February 25, 2020, 9:00 am to 1:00 pm**

Space is limited. Register today and see the full agenda at: [uwm.edu/letters-science/investigating-healthcare](http://uwm.edu/letters-science/investigating-healthcare)
