

Course Recommendations for Bachelor of Arts, **ENGLISH** majors

Who can Use this Guide:

- Students who took their first college class in September 2013 or later

If you took any college class before 09/2013, consult a UWM admissions counselor at let-sci@uwm.edu.

Introduction

Many students start at Madison College and continue their education at UWM. This guide outlines recommended course selections for Madison College students who intend to earn a Bachelor of Arts (BA) at UWM with an English major.

Note: This guide does not replace the advice of an advisor who can provide personalized guidance based on your particular circumstances and background.

Students planning to complete the full Associate's degree at Madison College may be required to take additional classes that may or may not transfer to UWM. There may also be some UWM required courses that are not offered at Madison College and can only be taken at UWM.

UWM Admissions Requirements

Madison College students seeking admission to a major that leads to a bachelor's degree in the College of Letters & Science will present the strongest application packet by meeting the following criteria:

- evidence of high school graduation (diploma or GED)
- a minimum cumulative GPA of 2.0 in all college classes
- completion of at least 12 credits of transferable college coursework

Students with a college cumulative GPA below a 2.0 who have not been enrolled in classes for at least 2 years, or who have extenuating circumstances, will also be considered for admission if additional information is presented that indicates potential for success.
