### **Introduction**

Many students start at Madison College and continue their education at UWM. This guide outlines recommended course selections for Madison College students who intend to earn a Bachelor of Arts (BA) at UWM with a History major.

Students planning to complete the full Associate's degree at Madison College may be required to take additional classes that may or may not transfer to UWM. There may also be some UWM required courses that are not offered at Madison College and can only be taken at UWM.

### **UWM Admissions Requirements**

Madison College students seeking admission to a major that leads to a bachelor's degree in the College of Letters & Science will present the strongest application packet by meeting the following criteria:

## World Language

The Bachelor of Art with a History major requires world language through the 4th level. If you took four years of the same language in high school, you have satisfied the requirement and no further coursework is needed. If you did not take four years of a world language in high school, see the requirements on page 2 and plan to take the appropriate number of language courses either at Madison College or at UWM.
