Course Recommendations for Bachelor of Science, **BIOLOGY** majors

Who can Use this Guide:

- Students who took their first college class in September 2013 or later

If you took any college class before 09/2013, consult a UWM admissions counselor at let-sci@uwm.edu.

Introduction

Many students start at College of Lake County and continue their education at UWM. This guide outlines recommended course selections for College of Lake County students who intend to earn a Bachelor of Science (BS) at UWM with a Biology major.

Note: This guide does not replace the advice of an advisor who can provide personalized guidance based on your particular circumstances and background.

UWM Admissions Requirements

College of Lake County students seeking admission to a major that leads to a bachelor's degree in the College of Letters & Science will present the strongest application packet by meeting the following criteria:

- evidence of high school graduation (diploma or GED)
- a minimum cumulative GPA of 2.0 in all college classes
- completion of at least 12 credits of transferable college coursework

Students with a college cumulative GPA below a 2.0 who have not been enrolled in classes for at least 2 years, or who have extenuating circumstances, will also be considered for admission if additional information is presented that indicates potential for success.

Goal

While at College of Lake County, students can complete the following UWM requirements on a pathway towards a UWM BS in Biology:

- ✓ Arts Requirement (3 required credits can be completed at College of Lake County)
- ✓ English Requirement (Part A and Part B can be completed at College of Lake County)
- ✓ Math Requirement (Part A and Part B can be completed at College of Lake County)
- ✓ Natural Science Requirement (all 12 required credits can be completed at College of Lake County)
- ✓ Humanities Requirement (all 12 required credits can be completed at College of Lake County)
- ✓ Social Science Requirement (all 12 required credits can be completed at College of Lake County)
- ✓ Cultural Diversity Requirement (3 required credits can be completed at College of Lake County)
- ✓ International Requirement (9 required credits can be completed at College of Lake County with careful course selection)
- ✓ World Language Requirement (2 years of high school or 2 semesters of college)
- ✓ Biology major requirements (23 to 34 of the 60+ required credits can be completed at College of Lake County depending on the Biology major track)
