

Course Recommendations for majors leading to a Bachelor of Arts degree from the College of Letters & Science

Who can Use this Guide:

- Students who took their first college class in September 2013 or later
- Students who plan to transfer from WCTC to UWM-Milwaukee campus to complete a Bachelor of Arts (BA) degree
- Students who **do not intend to finish** the Associate of Arts (AA) or Associate of Science (AS) degree at WCTC

If you took any college class anywhere before 09/2013 or if you have finished your AA or AS degree through WCTC, consult a UWM admissions counselor at let-sci@uwm.edu. Students who have fully finished the AA or AS degree through WCTC will be deemed to have satisfied some of our requirements regardless of the specific classes that were taken at WCTC.

Introduction

Many students choose to start at WCTC and continue their education later at UWM. This guide outlines recommended course selections at WCTC for a student who intends to transfer to the Milwaukee campus to complete a Bachelor of Arts degree.

Note: This guide does not replace the advice of an advisor who can provide personalized guidance based on your particular circumstances and background.
