

Course Recommendations for majors leading to the Bachelor of Science degree from the College of Letters & Science

Who can Use this Guide:

- Students who took their first college class in September 2013 or later
- Students who plan to transfer from WCTC to UWM-Milwaukee campus to complete a Bachelor of Science (BS) degree
- Students who **do not intend to finish** the Associate of Arts (AA) or Associate of Science (AS) degree at WCTC

If you took any college class anywhere before 09/2013 or if you have finished your AA or AS degree through WCTC, consult a UWM admissions counselor at let-sci@uwm.edu. Students who have fully finished the AA or AS degree through WCTC will be deemed to have satisfied some of our requirements regardless of the specific classes that were taken at WCTC.

Introduction

Many students choose to start at WCTC and continue their education later at UWM. This guide outlines recommended course selections at WCTC for a student who intends to transfer to the Milwaukee campus to complete a Bachelor of Science degree.

Note: This guide does not replace the advice of an advisor who can provide personalized guidance based on your particular circumstances and background.

Goal

While at WCTC, students can work towards some of the following degree requirements on a pathway towards a BS from the College of Letters & Science.

- ✓ Arts Requirement (3 credits required) – nothing offered at WCTC satisfies this requirement
- ✓ Oral and Written Communication/English Requirement (English 102 and an advanced class required) – both Part A and Part B can be completed at WCTC
- ✓ Quantitative Literacy/Math Requirement Part A and B – can be completed at WCTC
- ✓ Natural Science Requirement (12 credits required) – the types of lab courses required for a BS from UWM are not offered at WCTC
- ✓ Humanities Requirement (12 credits required) – all twelve credits can be completed at WCTC
- ✓ Social Science Requirement (12 credits) – twelve credits can be completed at WCTC
- ✓ Cultural Diversity Requirement (3 credits) – one class is available at WCTC to satisfy this requirement
- ✓ International Requirement (9 credits) – nothing offered at WCTC satisfies this requirement
- ✓ World Language Requirement (2 years of high school or 2 semesters of college) - nothing offered at WCTC satisfies this requirement

Last Updated: July 2024
