

UWM LIBRARIES LOCKERS

Lockers are available for your use when using the Libraries. They are not to be used for overnight storage.

A **\$25 fee** is charged if you:

- Lose the key, and also
- Reclaim any items left in the locker **overnight**

To use one of these free lockers during the Libraries' open hours, insert a quarter into the slot near the key. This will release the key. The quarter returns to you once the key returns to the slot.

Lockers are opened and emptied every day when the building closes. You may claim any items left in the locker overnight at the Main Circulation Desk, west wing; and ask to speak to the Facilities Manager. (Please note the \$25 fee stated above.) Any items that go unclaimed for a two-week period will be discarded.

UWM Libraries are not responsible for items left in lockers; and lockers are used at your own risk.
