Author:

Date of Publication & Call Number:

Title:

Type of Material Reproduced: Map Book Atlas Photograph

Select preferred format: jpeg tiff pdf other (please specify)

Conditions:

1. All responsibility for questions of copyright that may arise in the use made of reproduced material provided by the **AGSL** must be assumed by the user.
2. No exclusive rights for the use of **AGSL** material will be given.
3. One-time reproduction rights are approved. If future reproductions are desired, written permission must be obtained each time.
4. All reproductions of material intended for publication or similar use must be obtained directly from the **AGSL**. **AGSL** reserves the right to examine a copy of reproduction before printing.
5. The cost for preparation will be covered by the requesting party.
6. The **AGSL** reserves the right to limit the number of items to be copied and to refuse permission to copy material, especially if damage of the materials could result.
7. It is agreed that this material will not be used for profit. Special contractual procedures are required for reproduction and use of **AGSL** material for profit. Payments will be subject to negotiation and mutual agreement.
8. A credit statement, which is clearly visible, will read: "From the American Geographical Society Library, University of Wisconsin-Milwaukee Libraries." This credit statement must be used, whether or not the **AGSL** material is being used for profit.
9. A complimentary copy of the book, periodical, or other printed material in which the **AGS Library** item appears will be donated to the **AGSL**.
10. This reproduction will be used for: _____
