# YOUR MBA

FROM THE LUBAR COLLEGE OF BUSINESS

## A full array of MBA programs to meet your professional needs.

Faculty who connect leading-edge business knowledge with real-world business application. A learning environment that allows for professional growth and individual attention. A long tradition of academic excellence and a prestigious and extensive alumni network. Our highly experienced faculty, dedicated staff of MBA advisors, and Career Services Center professionals guide you from admission to graduation and beyond.

### Executive MBA

The Lubar Executive MBA program is a transformative, 16-month educational experience designed especially for the experienced manager, building your business acumen, managerial and leadership skill set, professional relationships, and future career potential. Collaborative technologies, advanced management research, applied learning projects, and an international trip, allow integration of theory with practical management skills to create a unique educational experience. The cohort format fosters a highly bonded network of peer professionals. Attending classes every other week—virtual Friday evening and face-to-face Saturday—provides the flexibility needed to balance a career while pursuing an MBA degree. Managerial assessments and coaching and mentoring, as well as an individual development plan, result in a distinctly personalized educational experience.

### MBA

If you need flexibility because of your career and personal priorities, our MBA allows you to pace your studies and enroll in the classes that work out best for you, in the evening, online, or a combination. With courses taught in a traditional 16 week format, you can complete the program at your desired speed, building a network of student colleagues who face the same types of challenges as you do. Optional certificates will help you reach your goals, including Business Analytics, Entrepreneurship, Finance, Health Care Management, Marketing, and Supply Chain Management - or design your own specialty through numerous elective options.

### Online MBA

Fast track your Lubar MBA! Designed with 8-week and 16-week courses, the Online MBA allows you to complete your MBA in as little as one year, or at your own pace.
