What is The Collegiate Entrepreneurs Organization at UW-Milwaukee?

Are you driven by big ideas and determined to turn them into reality? Join us as we gather dreamers and visionaries who are ready to shape the future. CEO goes beyond just its acronym - it stands for a platform that provides Collegiate Entrepreneurial Opportunities! The mission of our club is to educate, inspire, and mentor students in their entrepreneurial and personal growth journeys.

**You do not need to have your own business to join our club**, whether you are just starting your entrepreneurial journey or have a revenue producing business we would love to have you join our team!

We meet weekly from 2:30-3:30 pm every Tuesday in the Lubar Entrepreneurship Center (LEC) in the touchdown space. Our meetings consist of workshops, outings and events such as exclusive tours of businesses, round-tables with CEO’s in the Milwaukee and surrounding area, pitch competitions and the opportunity to grow your network!

Our main event of the year is the Global Pitch Competition and Conference in Tampa, Florida! Take advantage of this one of a kind opportunity to travel across the country with your peers and connect with other young, like-minded individuals. This is a life changing experience where you are able to create life lasting memories and walk away with a wealth of knowledge only a select amount college students get.
Please contact krlokker@uwm.edu if you are interested in joining CEO!

Check out our website and follow us on instagram to stay updated on the fun events we have planned for this year!
