

M³

TRANSFORMING THE FUTURE OF MILWAUKEE THROUGH EDUCATION

M³ (pronounced M-cubed) is transforming the future of our young people and Milwaukee communities through the power of public education by multiplying the impact of Milwaukee Public Schools, Milwaukee Area Technical College and the University of Wisconsin-Milwaukee.

WE ARE COMMITTED TO CLOSING EQUITY GAPS SO ALL STUDENTS SUCCEED.

CONNECTING LEARNING ACROSS MIDDLE SCHOOL, HIGH SCHOOL AND COLLEGE

- Growing capacity across multiple modes of learning including online
- Building and supporting individual academic and career plans for every student
- Bringing MPS, MATC and UWM faculty together to improve teaching practices and better understand the students we serve
- Creating curriculum connections in English, math and science

SUCCESSFULLY TRANSITIONING STUDENTS TO COLLEGE

- Empowering families to support their children's success through the M³ Parent Institute
- Connecting MPS students with the college experience through MATC and UWM visits
- Preparing MPS graduates for college success through summer programs before starting at MATC and UWM
- Expanding M³ Early College, a dual enrollment program giving high school graduates college credits

DRIVING COLLEGE COMPLETION

- Increasing FAFSA (financial aid) completion so students can access college
- Expanding scholarship opportunities to help students cover costs and focus on their studies
- Building greater financial literacy and money management skills for students and families
- Creating opportunities for work-based and experiential learning including internships
- Improving advising and student support models

WE'RE EMPOWERING STUDENTS AND FAMILIES TO BUILD THE FUTURE THEY WANT AND DESERVE, AND ENSURING OUR YOUNG PEOPLE AND OUR REGION THRIVE. LEARN MORE AT [UWM.EDU/M-CUBED](https://uwm.edu/m-cubed).
