

Assessment – Math/Stat MS exam

Dear exam grader,

For the purposes of assessment of the following learning goal,

Goal 2: *“Analytical and critical thinking skills required for the efficient use and understanding of the mathematical sciences”,*

we need you to determine, based on the student’s performance on exam problems specifically related to this goal, whether the student attained or failed to attain this goal. (Use your best judgment to determine which exam problems are specifically related to this goal.)

Student name	Attained goal? (Y/N)

Thanks for your collaboration,

The Assessment Committee
