

Assessment – Math PhD dissertation defense

Dear committee chairperson,

For the purposes of assessment of learning goals, we need you to determine, based on the student's dissertation work, whether the student attained or failed to attain the following goal:

Goal 3: *“The ability to conduct original research in the chosen field of specialization”.*

Student name	Attained goal? (Y/N)

We also need you to determine, based on the student's dissertation oral defense, whether the student attained or failed to attain the following goal:

Goal 4: *“The ability to communicate mathematical concepts”.*

Student name	Attained goal? (Y/N)

Thanks for your collaboration,

The Assessment Committee
