The discussion focuses on a variety of parenting interventions that will help children or youth transition into a new placement after leaving their home(s). Through this discussion the focus is also on advocating for children and youth and placement stability.

FOSTERING TRAUMATIZED KIDS SERIES: GAINS AND LOSSES; HELPING CHILDREN TRANSITION INTO A NEW PLACEMENT

In this session, the discussion focuses on teaching caregivers strategies for expressing empathy while caring for a child using the principles created by Josh Shipp (author of Every Kid is ONE Caring Adult Away From Being a Success Story).

FOSTERING TRAUMATIZED KIDS SERIES: LIFE SKILLS

In this session, the discussion focuses on teaching necessary life skills that are transferrable throughout childhood into adulthood to children and youth in out of home care.

FOSTERING TRAUMATIZED KIDS SERIES: PERCEPTIONS AND BODY LANGUAGE

The discussion focuses on how the body language can affect a child’s perception which can positively or negatively influence behavior.
