We currently have a 3B position from UW-Parkside to fill, a pre-nursing position from UW-Milwaukee to fill, and two 3A positions from UW-Milwaukee to fill. NSA also has positions that need to be filled as well, one of them including a student at large representative.

11. Closing Statements

- ❖ Cassie Stinefast addressed having class until 12:20 p.m. The solution was to cover UW-Milwaukee concerns first, and then come together at 12:20 to address other topics as a whole group.
