Meeting Minutes

Present: Dr. Snethen, Iuliia Konnenko, Liza Adrihan, Justin Neal, Emily Eubanks, Amanda Baxter, Dr. Morgan, Morgan Verkuilen, Ronald Neal, Nicole Erickson.

- a. Dr. Snethen called the meeting to order at 12:05
- b. Liza Adrihan volunteered to take meeting minutes.
- c. The meeting minutes from March 25, 2016 were not available.
- d. Dr. Snethen moves Dr. Morgan to talk first. Everyone agreed.
- e. Dr. Morgan talked about the tuition differential update.
 - a. This years funds of \$140,000 without the cost for NCLEX review for May 2016 graduating students.
 - b. Sim Man will be refurbished in May
 - c. This summer she will gather quotes for pediatric simulations/baby simulations and estimated that it would not go above \$100,000.00.
 - d. Update regarding the blood pressure speaker was received and one was sent to Parkside.
 - e. Justin asked if there is a new feature of the baby simulation compared to the one we have in the lab. He also mentioned the benefits of using simulations and how it helps students.
 - f. The EMS system updates still not working properly students are not able to view their videos at home it is only accessible using campus computers. There was an issue with security that they are trying to fix it and hoping by Monday or Tuesday they will have it up and running.
- f. Dr. Snethen suggested voting for Co-chair for fall since everybody does not have any idea of clinical schedules. Everybody agrees to it.
- g. You Tube update: Justin Neal mentioned the meeting was cancelled no students were available at the time.
 - a. Currently looking for 3B's and 4A's students to participate the YouTube video.
- h. Dr. Snethen mentioned activities for fall activities that SNAP, B&G, and NSA can do together such as:
 - a. Pet Therapy- where we pay someone to come over to bring pets.
 - b. Students and volunteer will perform blood pressure checks prior and posts pet therapy. This helps us find out if pet therapy helps.
 - c. To help cover the cost may look for donations.

- i. SNAP updates: Nicole mentioned the success of GALA and earned more than \$4,000. They also elected a new board and Nicole was elected as the new V-President.

- j. NSA updates: Morgan Verkuilen:
 - a. Had their meeting this morning and they had speakers from the Alumni Association. More students' attendance. Students like the interaction and having someone that shared different nursing experiences.
 - b. Plan of working on recruiting more active members.
 - c. Amanda mentioned of approaching facebook to reach more student to join.
 - d. Morgan mentioned on setting up a schedule to move the stuff to the new office.
 - e. They are planning to have a kick off event in fall to attract more students to get more committed members.
 - f. Last meeting is on May 6th, 2016.

- k. Dr. Snethen discussed NCLEX review:
 - a. To revisit NCLEX review results from the spring graduates, will possibly connect with the 4B-graduating students to get feedback on the experience
 - b. B&G meeting every fourth Friday of the month.
 - c. Next meeting is on September 23, 2016. Room is to be announced.
