

**University of Wisconsin-Milwaukee**  
**College of Nursing**  
**Black & Gold Committee**  
October 28<sup>th</sup>, 2016  
Meeting Minutes

Present: Dr. Snethen, Yulia Stadnyk, Liza Adrihan, Emily Eubanks, Dr.Morgan, Dr.Daley, Colleen Keegan, Jerrica Cashaw, Ruth Treisman, Dylan Kieffer, Nicole Wiegel, Ericka Wade, Ruth Treisman

- Dr. Snethen called the meeting to order at 12:00
- Colleen Keegan volunteered to take meeting minutes
- The meeting minutes from September 23<sup>rd</sup> were reviewed
  - Dylan Kieffer's stated his name needs to be added to minute attendance
  - Yulia made a motion to approve the minutes
  - Liza seconded the motion
  - Committee approved the minutes with the addition of Dylan's name
- Nominations/ vote on Student Co-chairs
  - Dr.Snethen and Dylan discussed moving the voting of Co-chairs to Spring 2017
  - Black and Gold application is to be resent out to students
  - Current members are to actively seek new members
  - Dr.Snethen is contacting Kay Jansen about class schedules for nursing students in order to present to them and generate interest in joining the committee
- Dr.Daley discussed NCLEX Review
  - The Kaplan NCLEX Review for December 2016 graduates is to be held in the Golda Meir Conference Room December 12<sup>th</sup>-15<sup>th</sup>.
  - Golda Meir was the only room open at this time open and capable of holding such a function
  - Dr.Daley discussed approving a NCLEX Review vendor for 2 years for room scheduling and syllabus scheduling reasons
  - The additional cost for the Golda Meir room will be approximately \$1,000. This includes table set up and tear down, AV equipment and does not include food.
  - Dylan and Dr.Daley discussed logistics of the room such as table placement and screen sizing
  - The committee discussed the different NCLEX companies and Dr.Daley stated that the differences between the companies and passing rates was not significant but stated effort as the main reason for increased passing rates
  - Dr.Daley stated the cost of the Kaplan Review is \$350 per student and she believes this cost includes online materials
  - Yulia motioned to approve a 2 year contract with a vendor

- Liza seconded the motion
- The students unanimously approved
- Colleen motioned to discuss what NCLEX Review should be chosen for the 2 year contact
- Jerrica seconded the motion
- Dr.Snethen discussed the Kaplan representative present at the NSA meeting was informative and the consensus of the NSA members was that he was helpful
- Yulia asked about the style of nursing questions, Dr.Daley stated they focus on both styles of questions
- Emily stated that Kaplans cost is comparable to the other companies and that there is a benefit to Kaplan as it offers an additional day of review
- Dylan entertained a motion to vote
- Emily motioned to vote on approval of a vendor for a 2 year contact
- Liza Seconded
- The students voted
  - ATI:0
  - Hurst:0
  - Kaplan: Students voted unanimously
- Kaplan wins
- Dr.Morgan discussed updates on tuition differential
  - Sim Man needs updates to his software and monitor
  - Laerdal quotes \$7,314.24 to upgrade Sim Man's software
  - A benefit would be staff is already familiar with the software and there is added efficiency to the software
  - Yulia discussed the concern of \$2,275 for a one day educational training for staff. Dr.Morgan explained it is a benefit that the instructor will come to our facility because it eliminates travel and allows for up to 8 staff members to participate
  - Emily motioned to package and approve Dr.Morgans presentation and tuition differential use of \$7,314.24
  - Yulia second the motion
  - Students voted and passed the motion unanimously
- Dr.Morgan discussed geriatric simulator
  - Potential uses for CPI students
  - Quote from Reality Works
    - \$5,330.58 for 2
    - \$11,082.46 for 5
  - Dylan discussed its use in eliciting geriatric sensitivity among students
  - Dr.Daley suggested a trail run and Dr.Morgan stated she will look into acquiring a demo

- Emily discussed the new curriculums experience with geriatrics to which Colleen and Jerica responded they had significant experience in the new curriculum with geriatric individuals
  - Dr.Morgan will pursue a demo and the discussion was tabled until the next meeting
- Dylan filled in UW Parkside committee member Nicole Wiegel on NCLEX voting
- Colleen nominated Nicole Wiegel for UW-Parkside Black and Gold Committee Co-chair
  - Yulia second the motion
  - Motion passed unanimously
- Emily discussed updates on Justin Neal's Nursing Youtube Video
  - Lack of interest
  - Colleen and Jerrica suggested handing the project off to NSA
  - The discussion was tabled until next meeting
- Dr.Snethen talked about NSA updates
  - Blood drive was a success
  - Students are looking into pet therapy collaboration with Sigma Theta Tau
- Nicole spoke about SNAP events
- Dylan spoke about additional projects
  - People of color social
- Jerrica discussed the use of BOSS for clinical transportation
  - She will be contacting BOSS to see if this is a possible collaboration
- Emily moved to adjourn the meeting
  - Jerrica Second

Minutes submitted by: Colleen Keegan
