Community-Centered Health Home (CCHH)
Health Visit Protocol

Within 24/48 hours

CCHH Health Manager:

- Welcomes/visits client’s with Refugee Resettlement Agency (Volag) Case Manager/interpreter
- Asks about any immediate health concerns
- Discusses timeline and services (Health screening/immunizations- Green card app)
- Educates on ER and Urgent care (create informational sheet with contact info/locations for specific health services and present it to the family? 2 columns: one side written in English, the other in their preferred language?)
- Introduces differences of US health care/introduces Medicaid
- Schedules return visit with NMHC

*NMHC and Volag staff review client’s overseas medical records and fills out pre-screening arrival forms*
Volag Schedules 1st Health Screening

Within 10 days

- NMHC Nurse Case Managers, CCHH Health Manager and Volag Case Worker/interpreter visit with clients
- NMHC introduce themselves and their role
