PROTECTING THE HEALTH OF FAMILIES OF CHILDREN RECEIVING PALLIATIVE CARE

Families caring for seriously ill or dying children are at significant health risks themselves. Certain clinician behaviors appear to help protect families from the full impact of such risks. This evidence-based discussion will link the risks and the clinician behaviors in an effort to further support our shared efforts to protect these at risk families.

MONDAY, APRIL 8, 2019
4:00 PM – 6:00 PM
UW-Milwaukee Student Union, Alumni Fireside Lounge
2200 E. Kenwood Boulevard Milwaukee, WI 53211

Questions? Please email Wendy Welsh at welsh@uwm.edu

Dr. Hinds is currently the Executive Director of the Department of Nursing Science, an Endowed Chair in Nursing Research, and Research Integrity Officer at Children’s National health System in Washington, D.C.

For more than three decades, Dr. Hinds has created and led research related to the pediatric cancer experience, quality of life, fatigue and altered sleep during the treatment of pediatric cancers, and end-of-life communication and decision making.

She was the inaugural chair of the Nurse Scholars for the Children’s Oncology Group and the inaugural Co-Director for the Patient-Reported Outcomes (PRO) Resource Center for the Children’s Oncology Group.

Dr. Hinds is an Oncology Nursing Society Distinguished Nurse Researcher and the Association of Pediatric Oncology and Hematology Distinguished Nurse Researcher.
