

The James and Yvonne Ziemer Clinical Simulation Center is located in the Northwest Quad, Building C, 3rd floor. To access the Ziemer Clinical Simulation Center, you can enter through the first floor at Hartford Ave, Newport Ave, or from the NWQ garage. The NWQ garage offers a skywalk entrance to the building on the 1st floor. Once you are inside, follow signs to the **RED ELEVATORS**, go to the 3rd floor, then exit left through the door. The glass doors on the left are the entrance to the center.
