

FCOI Training

Who Needs to Complete FCOI Training

UWM requires all Investigators engaged in PHS-funded research to receive training in financial conflicts of interest.

What Needs to be Completed

The FCOI course is a three-module course addressing Financial Conflicts of Interest, Conflicts of Commitment and Conscience, and Institutional Responsibilities as they Affect Investigators.

When FCOI Training Must Be Completed

FCOI Training must be completed every four years or, per federal guidelines, when changes to the UWM's FCOI policies change in a manner that affects Investigator requirements. The UWM Office of Sponsored Programs (OSP) will check an Investigator's FCOI training status each time they begin the setup of an award account with PHS-funded research on which an Investigator is PI or senior/key personnel. Notification will be sent via email to ensure FCOI training is up-to-date. Spending on new and non-competing PHS funded award accounts will not be permitted until FCOI training of all senior/key personnel is complete.
