View the full Academic Forgiveness Policy at: https://apps.uwm.edu/secu-policies/storage/faculty/2950R2_Academic_ness_Policy.pdf

Eligibility Criteria:

- No prior baccalaureate degree earned from UWM or another institution.
- Readmission as an undergraduate degree-seeking student after a minimum of three years period of no enrollment at UWM or any other institution.
- A cumulative GPA of less than 2.0 at UWM at the time of readmission.
- Earned a minimum of 12 graded credits at UWM after readmission with a minimum 2.5 GPA.
 - NOTE: An additional 30 graded credits at UWM, for a total of 42 graded credits, are required for a degree to be posted with forgiveness applied to the record
- No prior approvals for Academic Forgiveness on record.

If approved, your cumulative UWM GPA will be reset as of the point of readmission. All grades earned prior to readmission will continue to appear on your transcript and record. The transcript will include a notation that Academic Forgiveness was granted. Any credits earned prior to readmission will continue to count toward your cumulative totals along with any applicable degree requirements. You will be required to complete a total of at least 42 graded credits after readmission (including credits earned post-readmission at the time of this request) in order for a bachelor's degree to be awarded with Academic Forgiveness applied.

Please Note:

- Academic Forgiveness does not adjust the GPA and number of credits attempted and counted toward Satisfactory Academic Progress (SAP) for financial aid eligibility purposes.
- All other UWM policies (e.g., Course Repeats) remain in effect and are not changed by the granting of Academic Forgiveness.
- If you seek admission to a degree program other than the one that approved an Academic Forgiveness request, that program has the right to consider all coursework and grades, including those academically forgiven, in making its admission decision.
- Transfer credits posted to the UWM record are never factored into the official UWM cumulative GPA and, therefore, are not impacted by the granting of Academic Forgiveness.
