

TRANSFER GUIDE

McHenry County College to Electrical Engineering – College of Engineering & Applied Science

UWM Admission Guidelines

Transfer admission is a holistic and selective process, and no single criterion guarantees admission. The following factors are taken into consideration when reviewing applications:

- Demonstrated satisfactory academic progress
- Successful completion of college-level math and English courses
- Total credit hours completed
- Academic standing at your previous institution

If you have fewer than 12 transferable credits, we will also review your high school academic records.

Most admitted transfer students have a cumulative GPA of 2.0 or greater on all transferable coursework. Competency in English and mathematics is an important factor in the admission decision.

Please note that the College of Engineering & Applied Science is a selective program and has additional requirements for admission into its majors.

We encourage students to utilize this guide to plan their coursework for their first and second semesters. We highly recommend that students who are interested in transferring contact a UWM Transfer Advisor for more information about additional requirements of specific academic programs.

College of Engineering & Applied Sciences Admission Requirements

1. Complete Calculus 1 with a C or better grade. (MAT 175 at MCC)
2. Complete GER Oral and Written Communication Part A. (ENG 152 at MCC)
3. Complete Intro to Chem with a C or better grade or satisfactory score on the placement test. (CHM 164 at MCC)
4. Obtain a minimum grade point as set by the major department. A 3.00 GPA guarantees admission to any CEAS major.
5. Courses required by the major may be repeated only once. No more than two courses may be repeated.

Calc & Analytic Geometry II	MAT 245^	5	MATH 232^
Calc & Analytic Geometry III	MAT 255	4	MATH 233
Analytical Methods in Engr		4	ELECENG 234^
Chemistry Requirement			
Chemistry 1	CHM 165	5	CHEM 102
Physics Requirement			
Physics 1 (Calculus-based)	PHY 291^^	4	PHYSICS 209^^ & 214
Physics 2 (Calculus-based)	PHY 292^	4	PHYSICS 210^ & 215
Technical Electives			
Consult a UWM engineering advisor for the best technical elective options based on your career/degree goals.		18	
Free Electives			
Consult a UWM engineering advisor for exact elective needs and options.		0-6	
Total Credits = minimum 120		120	

A maximum of 72 credits are transferrable to the University of Wisconsin-Milwaukee from two-year technical colleges.

*Can be satisfied by satisfactory placement exam score or coursework. Foreign language may be met by 2 years of HS study.

**Consult [Transferology](#), [TED](#), or discuss GER options with an advisor to see which courses are most appropriate.
