

## Section C – Child Support Paid Certification

---

Review those individuals listed in Section B of this form. Did you or your spouse (if married) **PAY** child support because of divorce or separation or as a result of a legal requirement in **2017 for any children NOT listed in Section B**? Please indicate the correct answer below. If you check "Yes" you must also complete the information below for the **2017** calendar year (1/1/2017 through 12/31/2017).

**Yes**

**No**

Name of Person Who Paid Child Support	Name of Person to Whom Child Support was Paid	Name of Child for Whom Support was Paid	Child Age	Amount of Child Support Paid in 2017

**You should not list an individual in the household size (section B) and also list an amount of child support paid for the same individual.** If more than half of a child's support is being provided (whether through child support payments or living arrangements), they should be included in the household size, and not listed in Section C. If you list the same child in both the household size and as paying child support for, we will keep them in the household size and remove the child support paid.

Note: If we have reason to believe that the information regarding child support paid is not accurate, we may require additional documentation, such as:

- A copy of the separation agreement or divorce decree that shows the amount of child support to be provided;
- A statement from the individual receiving the child support certifying the amount of child support received; or
- Copies of the child support payment checks or money order receipts.
