

## **TRANSFER GUIDE**

**Gateway Technical College to  
B.S. – ASL/English Interpreting in the School of Education**

### **Admission Guidelines**

If you have completed 12 credits of transferable course work you will be considered for admission based on a review of your college records. If you have fewer than 12 transferable credits you may be considered for admission based on a review of both your high school and collegiate records.

Most admitted transfer students have a cumulative GPA of 2.0 or greater on all transferable coursework. Competency in English and mathematics is an important factor in the admission decision.

Please note that some selective programs (Peck School of the Arts, School of Architecture and Urban Planning, College of Engineering, College of Nursing) may have additional requirements for direct admission into their majors.

We encourage students to utilize this guide to plan their coursework for their first and second semesters at MATC. We highly recommend that students who are interested in transferring contact a UWM Transfer Advisor for more information about additional requirements of specific academic programs.

### **School of Education Information**

The Interpreter Training Program (ITP) goes beyond teaching students about language, culture and how to facilitate conversations. Our program philosophy, “Deaf Heart Starts Here,” takes hold the moment you begin. We work to develop well-rounded interpreters who value and consider others’ perspectives; students who are culturally sensitive and empathetic practitioners who continually work to better themselves and the interpreting profession.

Students new to ASL should begin with ASL 1. In the case that a student has a background in ASL, the first step is for a student to complete one of two approved screening options to determine their level of fluency. The first screening option is the American Sign Language Proficiency Interview (ASLPI), administered by Gallaudet University, but proctored at UWM. The ASLPI costs \$185 and depending on course placement, a student can be eligible for a maximum of 12 retroactive credits by successfully completing the course with a B or better. The second screening option, is the American Sign Language Screening Placement, which is a 15-20 minute interview conducted by a UWM ASL instructor. There is no cost associated with this screening and no retrocredits will awarded.

Please note, UWM does not award transfer credits for ASL coursework completed at other institutions. It is strongly encouraged that a student transfer as soon as possible due to the sequencing of the required language courses.

**In addition to the course requirements listed below, this program has additional completion requirements. Please consult with an advisor at UW-Milwaukee to learn more about these requirements.**

Learn more about this program at [uwm.edu/education/academics/uwm-interpreter-training/](http://uwm.edu/education/academics/uwm-interpreter-training/).

	Gateway coursework		UWM coursework	
<b>GER requirements</b>	See additional handout for MATC courses that fulfill the other GERs			
<b>Oral and Written Part A</b>	801 136 or 801 195 (minimum C grade)	3	ENG 101	3
			ENG 102 (minimum C grade)	3
<b>Oral and Written Part B</b>			ENG 201	
<b>Quantitative Literacy Part A</b>	804 118 (minimum C grade)	3	MATH 105 (other options at UWM)	3
<b>Quantitative Literacy Part B</b>	See GER worksheet (minimum C grade)	3		3
<b>Art (3 credits)</b>			Many options at UWM	3
<b>Humanities (6 credits)</b>	801 198 (minimum C grade)	3	COMMUN 103	3
			LINGUIS 100 or 210	3
<b>Social Science (6 credits)</b>			EXCEDUC 330	3
			EDCEDUC 352	3
<b>Natural Science (6 credits)</b> (one course must have a lab)	Biology or Biomedical Sciences course – See GER Worksheet	3		3
	See GER worksheet	3		3
<b>Cultural Diversity (3 credits)</b>			LINGUIS 100 or 210	3
<b>Foreign Language satisfied?</b>	Will be satisfied by major requirements			
<b>Program Admission Required Courses</b>				
American Sign Language I (minimum grade B-)			EXCEDUC 301	3
American Sign Language II (minimum grade B-)			EXCEDUC 302	3
American Sign Language III (minimum grade B-)			EXCEDUC 303	3
