

# TRANSFER GUIDE

## Milwaukee Area Technical College to B.S. – Social Science Education - School of Education

### **Admission Guidelines**

Transfer admission is a holistic and selective process, and no single criterion guarantees admission. The following factors are taken into consideration when reviewing applications:

- Demonstrated satisfactory academic progress
- Successful completion of college-level Math and English courses
- Total credit hours completed
- Academic standing at your previous institution

If you have fewer than 12 transferable credits, we will also review your high school academic records.

Please keep in mind that some academic programs within the Peck School of the Arts, School of Architecture and Urban Planning, College of Engineering & Applied Science, and College of Nursing may have additional requirements for direct admission into their majors.

We encourage students to utilize this guide to plan their coursework for their first and second semesters at MATC. We highly recommend that students who are interested in transferring contact a UWM Transfer Advisor for more information about additional requirements of specific academic programs.

### **School of Education Information**

The Early Adolescence through Adolescence (EAA) Program in Social Studies Education is available for students who plan to teach Social Studies to children from age 10 to age 21, in 6th through 12th grade. Candidates who satisfactorily complete the program requirements meet the Wisconsin teacher certification requirements for grades 6 through 12 (EAA).

Students must complete 36 credits in one Social Studies content area, 12 credits in a second and 12 credits in a third Social Studies content areas. Areas of study include economics, geography, history, psychology, political science, and sociology.

See advisor for specific course and distribution requirements of chosen fields of study. Information on requirements can also be found at [uwm.edu/education/academics/social-studies](http://uwm.edu/education/academics/social-studies).

In addition to course requirements, all teacher preparation programs have GPA and testing requirements. For more information on these requirements, visit [uwm.edu/education/academics/undergraduate](http://uwm.edu/education/academics/undergraduate).
