

TRANSFER GUIDE

UW Colleges to B.S. – Science Education in the School of Education

Admission Guidelines

If you have completed 12 credits of transferable course work you will be considered for admission based on a review of your college records. If you have fewer than 12 transferable credits you may be considered for admission based on a review of both your high school and collegiate records.

Most admitted transfer students have a cumulative GPA of 2.0 or greater on all transferable coursework. Competency in English and mathematics is an important factor in the admission decision.

Please note that some selective programs (Peck School of the Arts, School of Architecture and Urban Planning, College of Engineering, College of Nursing) may have additional requirements for direct admission into their majors.

We encourage students to utilize this guide to plan their coursework for their first and second semesters at UW-Colleges. We highly recommend that students who are interested in transferring contact a UWM Transfer Advisor for more information about additional requirements of specific academic programs.

School of Education Information

The Early Adolescence through Adolescence (EA-A) Program in Science Education is available for students who plan to teach science to children from age 10 to age 21, in 6th through 12th grade. Science Education students gain real world experience in the classroom through student teaching at area schools. Students who satisfactorily complete the program requirements also meet the Wisconsin teacher certification requirements for teaching science subject areas in those grades.

In addition to course requirements, all teacher preparation programs have GPA and testing requirements. For more information on these requirements, visit uwm.edu/education/academics/undergraduate.

	UW Colleges coursework		UWM coursework	
GER requirements				
Oral and Written Part A	ENG 201 (minimum C grade)	3	ENGLISH 101	3
	ENG 202 (minimum C grade)	3	ENGLISH 102	3
Oral and Written Part B	ENG 201 (minimum C grade)	3	ENGLISH 201	3
Quantitative Literacy Part A	MAT 110 (minimum C grade)	3	MATH 105	3
Quantitative Literacy Part B	MAT 117	3	MTH STAT 215	3
Math Electives (6 credits)			Satisfied by QLA and QLB	6
Art (3 credits)	Many options - see Transfer Wizard	3		3
Humanities (9 credits)	CTA 103	3	COMMUN 103	3
	Literature - See Transfer Wizard	3		3
	ENG 201 (minimum C grade)		ENGLISH 201	3
Social Science (6 credits)	HIST 101 or 102	3	HISTORY 151 or 152	3
	POL 104 or 225	3	POLI SCI 104 or 105	3
Natural Science (6 credits) (one course must have a lab)			Satisfied by major requirements	9
Cultural Diversity / ACT 31			ANTHRO 213, ENGLISH 276, AIS 203, HIST 263	3
Foreign Language satisfied?				
PROFESSIONAL EDUCATION COURSEWORK – To be completed at UWM				
Introduction to Teaching Science in Middle and High School			CURRINS 328	3
Cooperative Strategies for Pre & Early Adolescents			CURRINS 510	2
Science Methods I			CURRINS 518	3
Reading in the Content Area			CURRINS 545	3
Change and Change Strategies in Education			CURRINS 629	3
Alternative Assessment in Science & Math I			ED PSY 541	1
Cooperative Strategies for Pre & Early Adolescents			CURRINS 510	1
Field Experience / Student Teaching in Middle School			CURRINS 516	3
Science Methods II			CURRINS 519	6
Inclusion for Secondary Math Educators			EXCEDUC 536	1
Alternative Assessment in Science and Math II			ED PSY 542	1
Inclusion for Secondary Math Educators			EXCEDUC 537	1
Student Teaching in Science			CURRINS 427	10-12
Alternative Assessment in Science & Math III			ED PSY 543	1
Teaching Math and Science to All Learners			EXCEDUC 538	2
Science Content Area				
Conservation of Natural Resources course	BIO 190 or 191	3	CES 210 (or CES 471 or GEOG 350 at UWM)	3
History and Philosophy of Science course			Several options at UWM	2-3
<p>The selection of at least one major and one minor (highly suggested) should be made in consultation with the faculty advisor prior to applying for admission to the School of Education. A UWM advisor can help you determine course options at a UWM branch campus.</p> <p><i>Majors</i> – Must select one. () Biology () Environmental Studies () Broad Field Science () Life and Environmental Science () Chemistry () Physical Science () Earth and Space Science () Physics</p> <p><i>Minors:</i> () Biology () Earth and Space Science () Chemistry () Physics</p>
