In accordance with federal and state regulations, you are being provided required information about the University.

The Student Consumer Information website lists the various items with a brief description of each. The information is broken down into four categories: 1) General Information, 2) Student Financial Assistance, 3) Health & Safety and 4) Student Outcomes.

If you need assistance in obtaining information from the website or you would like paper copies of certain information, please contact the Department of Financial Aid, Student Employment, and Military Education Benefits.
