Figure 12. Retention rates of first-time bachelor's degree seeking students, by attendance level: Fall 2016 cohort

![Retention Rates Chart]

**NOTE:** Retention rates are measured from the fall of first enrollment to the following fall. Academic reporting institutions report retention data as of the institution's official fall reporting date or as of October 15, 2016. Program reporters determine the cohort with enrollment any time between August 1, 2016 to October 31, 2016 and retention based on August 1, 2017. Four-year institutions report retention rates for students seeking a bachelor's degree. For more details, see the Methodological Notes. N is the number of institutions in the comparison group.
