The U.S. Department of Education has indicated that your 2020-21 Free Application for Federal Student Aid (FAFSA) may contain conflicting information with regard to your parent(s) current marital status and their **2018** federal tax filing status. Please review the table below. **Your parent must check one item in each column.**

Please check this box if your FAFSA was originally completed with the wrong filing status. You will need to make a correction to the FAFSA to reflect the correct 2018 filing status before we are able to continue processing aid for 2020-21.

By signing this worksheet, we certify the information reported is correct to the best of our knowledge.

NOTE: Signatures cannot be typed or stamped. Must be signature

PLEASE NOTE: SECTIONS D AND E SHOULD ONLY BE COMPLETED IF YOUR PARENT(S) ANSWERED MARRIED/RE-MARRIED AND THEIR FEDERAL TAX RETURN FILING STATUS FOR 2018 WAS HEAD OF HOUSEHOLD.

Section D – Head of Household Eligibility

If your parent(s) were eligible to file as head of household (despite being married), complete this section. Your parent(s) need to initial each of the requirements below if applicable to their tax filing circumstances.

Head of Household Eligibility Requirements

By initialing next to each requirement, your parent(s) are certifying that they meet this requirement. For more information, please see IRS Publication 17.

Please note, all three of these requirements must be met, in order to file as Head of Household.

- ____ Were married but were considered “unmarried” as of December 31, 2018 (**Please explain in Section E**). The Head of Household filing status is for unmarried individuals who provide a home for certain other persons. Per the Internal Revenue Service (IRS) a person is considered unmarried for this purpose if any of the following applies:
- Were legally separated according to your state law under a decree of divorce or separate maintenance at the end of 2018. But if, at the end of 2018, the divorce was not final (an interlocutory decree), they are considered married.
 - Were married but lived apart from their spouse for the entire last 6 months of 2018 and meet the other rules under married persons who live apart.
 - Were married to a nonresident alien at any time during the year and did not choose to treat him or her as a resident alien.

____ Paid more than half the cost to run a home in 2018 (rent, mortgage, utilities, etc.).

____ Supported a qualifying person for at least half of 2018. A qualifying person is a child, parent, or relative who meets certain conditions that enable you to qualify for Head of Household.

If it is determined that your parent(s) are legally married and filed their taxes as Head of Household for 2018 incorrectly, they will need to file an amended Federal Income Tax Return (1040X) reflecting the correct filing status. Once completed, the FAFSA form will need to be updated accordingly to reflect the 2018 amended Federal Income Tax Return.

Section E – Parent Personal Statement

Explain in detail why you, the parent(s), were allowed to file using the Head of Household status given your marital status. In addition, if available, please provide IRS supporting documentation or a letter of explanation from your tax preparer.
