

PAWS FINANCIAL AID TUTORIAL

PAWS Self Service Account is where you access important information including financial aid. Review this document to help you understand the information related to financial aid and your billing statement. Check your PAWS Account and your email (UWM email if one has been assigned to you) on a regular basis. We will send you an email when our office requires additional information as well as once your financial aid is determined. In order to view your offer, you will need to access your PAWS Account. Log in to your PAWS Account at <https://paws.uwm.edu>.

To Do List

Note: Missing information will show up in your To Do List which is located in the sidebar on the right. Click on the [more](#) link or each individual item for more information and instructions on what is needed. If you have any financial aid To Do items, that means we are not currently reviewing your file.

The screenshot shows the PAWS Self Service Account interface. On the left, there are navigation tabs for Academics, Finances, and Personal Information. The central area displays 'Your To-Do List' with a large blue arrow pointing to the right. On the right sidebar, the 'To Do List' section is highlighted in green and contains the following items:

- [Clarify Std Tax File Status](#)
- [Final High School Transcript](#)
- [Housing Contract or Exemption](#)
- [New Stud Confirmation Deposit](#)
- [UWM Placement Tests](#)

Below the list is a 'More' link with a right-pointing arrow. Other sections in the sidebar include 'Search for Classes', 'Holds' (No Holds), 'Milestones' (No Milestones), and 'Enrollment Dates' (Enrollment Appointment).

When you click on a To Do Item, it looks something like this, often with links for the item included.

2021	University Wisconsin-Milwaukee	Federal Aid Year 2020-2021
2020	University Wisconsin-Milwaukee	Federal Aid Year 2019-2020

Aid years listed indicate your access to eligibility information regarding your Financial Aid Application. However, if you have not received an email from us indicating awards have been determined, the information you see will be incomplete.

Scenario #1: If you do not see Aid Year 2021, we have not received the results of a FAFSA.

Scenario #2: If you have access to Aid Year 2021, but receive the message “You have no financial aid awards available for viewing in this aid year,” we have your results, but your aid eligibility has not been determined. Check your PAWS To Do List and/or your UWM email for communications from us to make sure we have not requested additional information from you.

Scenario #3: If you do see aid, but do not have access to “Accept/Decline,” this means we are finalizing your file.

You will receive an email when you are able to officially accept or decline your aid.

Aid notifications will begin:

February 2020 for new students (first-time attendees at UWM)

April 2020 for continuing students

It takes about 4-6 weeks for us to review and finalize your file once we have all the necessary documents. We will send you an email once your aid is ready for you to review and Accept/Decline.

Once you receive the email, you will have access to your Award Summary after clicking on the 2021 Year. Make sure to scroll down to see the aid broken down by term.

Your financial aid is determined by the results from your Free Application for Federal Student Aid (FAFSA) and your educational costs. If there is no financial aid displayed, your application may still be in progress. Please check your 'To Do List' to see if you are missing any documents. It is very important that you **click on each aid type**, which has a hyperlink that contains important details on the aid, including anticipated disbursement dates and additional requirements you need to complete to actually receive the funds (in the Message area). For example, selecting the Federal Direct Unsubsidized Loan tells you:

Currency used is US Dollar

Message

Federal Direct Unsubsidized Loan is a loan that must be repaid and requires half-time enrollment to receive any funds. Although payments are deferred as long as you are enrolled at least half-time, interest begins to accrue as soon as funds disburse. Review studentaid.ed.gov for detailed information on interest rates and fees. For funds to disburse, you must have completed a Federal Direct Master Promissory Note (MPN). If you have never borrowed a student loan before you will also need to complete Entrance Loan Counseling. Both of these processes can be completed at <https://studentloans.gov>.

1. After reviewing your aid messages, accept/reduce or decline any funds offered to you. To accept or decline funds, click on the check box next to each item.
2. Click on the "submit" button to finalize your accepted aid.

If you do not want to accept the full amount, you can reduce the amount offered.

1. Accept the offer.
2. Change the amount you want to receive in the white fillable box that opens up. If the aid offered is for two semesters, you will then receive half for fall and half for spring.
3. Click on the "submit" button to finalize your accepted aid.

You have 30 days from the date the aid is posted or until June 1 before the academic year, whichever is later, to accept your aid. If you have not accepted your aid by then, we will cancel it. If you decline or we cancel your aid, you are able to request to have it re-offered as long as you are still eligible. You should notify the Financial Aid office if you are graduating in December or will not be enrolling in a term in which we offered you financial aid.

SAP Status Meeting Satis Acad Progress

For more information, go to
<https://uwm.edu/onestop/finances/receiving-financial-aid/satisfactory-academic-progress-sap/>

Message
Satisfactory academic progress (SAP) is used to define successful completion of coursework to maintain eligibility for student financial aid. Federal regulations require this institution to establish, publish and apply standards to monitor your progress toward completion of your certificate or degree program. If you fail to meet these standards, you will be placed on financial aid warning or suspension. Completion toward your program is measured by GPA, time frame to completion, and percentage of courses completed you attempt.

[Return](#)

If you are not meeting SAP requirements, you are not eligible for financial aid. You could meet with a financial aid advisor if you think you may qualify for an appeal.

The View Scheduled Disbursement Dates is a hyperlink, but you won't see any amounts until the aid actually disburses. Disbursement begins 10 days prior to the start of a semester. If you click on it before disbursement, it will look like this:
