

TRANSFER GUIDE

Milwaukee Area Technical College to B.S. – Science Education in the School of Education

Admission Guidelines

If you have completed 12 credits of transferable course work you will be considered for admission based on a review of your college records. If you have fewer than 12 transferable credits you may be considered for admission based on a review of both your high school and collegiate records.

Most admitted transfer students have a cumulative GPA of 2.0 or greater on all transferable coursework. Competency in English and mathematics is an important factor in the admission decision.

Please note that some selective programs (Peck School of the Arts, School of Architecture and Urban Planning, College of Engineering, College of Nursing) may have additional requirements for direct admission into their majors.

We encourage students to utilize this guide to plan their coursework for their first and second semesters at [other institution]. We highly recommend that students who are interested in transferring contact a UWM Transfer Advisor for more information about additional requirements of specific academic programs.

Admission to Science Education Major Requirements

- English Composition: Achieve a placement level of 4 or higher on the English Placement Test, or complete ENGLISH 102 or an equivalent with a grade of C or better.
- Mathematics Skills: Achieve a placement level of 30 or higher on the Math Placement Test, or complete MATH 105, 103, 175 or an equivalent with a grade of C or better.
- Completion of CURRINS 328: Introduction to Teaching Science in Middle and High School with a grade of C or better.
- Completion of COMMUN 103 with a C or better.
- A 2.5 minimum cumulative GPA in all UWM and transfer courses at the time of admission application.
- A 2.75 cumulative GPA in all science courses used towards certification.
- A minimum of 58 credits (UWM and transfer credits) at the time of admission application.
- Meeting with faculty advisor to review admission application. Faculty signature required on application.
