2021-22 Request for Budget Adjustment Instructions

If you feel the amounts in your cost of attendance (COA) listed on your financial aid award do not accurately reflect your current situation, you may be eligible to have your COA re-evaluated based upon submitting the appropriate documentation. Please note that increasing your COA does not change your eligibility for grants and/or scholarships.

Annual and aggregate loan limits restrict eligibility for federal loans, so please review the annual Federal Direct loan limits listed below:

Annual Loan Limits	Dependent*	Independent*
Freshman	\$5,500	\$9,500
Sophomore	\$6,500	\$10,500
Junior/Senior	\$7,500	\$12,500
Graduate	N/A	\$20,500

*Status determined by the FAFSA, not the student.

Most students find they have already borrowed their maximum eligibility for federal and state financial aid for the academic year. Students having no remaining eligibility may borrow a private alternative loan, Parent PLUS Loan (dependent undergraduate student), or Grad PLUS Loan (graduate student), but these loans do require a credit check. In these cases, students should contact the Financial Aid Department prior to submitting this form to see if these loans can be applied for without submitting additional documentation.

Please Note:

- If forms are incomplete or you fail to submit all the required documentation at the same time, the forms will be returned, and processing may be delayed.
- The items listed on the form must apply to the student and could be purchased by a parent (if the student is dependent) or a spouse (if independent and married).
- The date of service or purchase must occur during the 2021-22 academic year. For those enrolled during the fall 2021 and spring 2022 terms the dates are September 2021 - May 2022. For those enrolled in the summer 2022 term, the dates are May 2022 - August 2022. Computer purchases may occur three months prior to the start of the 2021-22 academic year.
- Submit all budget adjustment requests for fall and spring terms at one time as multiple requests will not be honored. Summer term requests should be submitted separately between April 2022 and May 2022.
- The form and appropriate documentation should be submitted as soon as possible as processing times do vary from 3 to 6 weeks depending upon the time of the year. The documents should be submitted no later than the dates indicated below for each term:

Fall 2021 – November 22, 2021	Spring 2022 – April 18, 2022	Summer 2022 – June 1, 2022
-------------------------------	------------------------------	----------------------------

- There is no guarantee that forms submitted after the dates indicated above will be reviewed prior to the end of the term.
- If you have questions about the process or are unsure whether you should complete the form, please contact the Financial Aid Department to discuss your situation with a staff member.
- Once the review of the file has been completed, the student will be notified accordingly via his/her UWM email account regarding the outcome of this request and any additional required steps.
