

# TRANSFER GUIDE

## Madison College to Occupational Studies and Technology (OST) – College of Health of Sciences

### **Admission Guidelines**

Transfer admission is a holistic and selective process, and no single criterion guarantees admission. The following factors are taken into consideration when reviewing applications:

- Demonstrated satisfactory academic progress
- Successful completion of college-level math and English courses
- Total credit hours completed
- Academic standing at your previous institution

If you have fewer than 12 transferable credits, we will also review your high school academic records.

Please keep in mind that some academic programs within the Peck School of the Arts, School of Architecture and Urban Planning, College of Engineering & Applied Science, and College of Nursing may have additional requirements for direct admission into their majors.

We encourage students to utilize this guide to plan their coursework for their first and second semesters at Madison College. We highly recommend that students who are interested in transferring contact a UWM Transfer Advisor for more information about additional requirements of specific academic programs.

### **Admission to OST Major Requirements**

OCCTHPY 151, OCCTHPY 201, BIO SCI 202, PSYCH 101, THERREC 202 must be completed with grade of ""B-"" or better.

Minimum UWM cumulative GPA of 2.75 or higher required

MATH 105/108 and ENGLISH 102 must be completed with a grade of ""C"" or better
