

TRANSFER GUIDE

Waukesha County Technical College (WCTC) to B.F.A. – Art Education – Peck School of the Arts

Admission Guidelines

Transfer admission is a holistic and selective process, and no single criterion guarantees admission. The following factors are taken into consideration when reviewing applications:

- Demonstrated satisfactory academic progress
- Successful completion of college-level math and English courses
- Total credit hours completed
- Academic standing at your previous institution

If you have fewer than 12 transferable credits, we will also review your high school academic records.

Please keep in mind that some academic programs within the Peck School of the Arts, School of Architecture and Urban Planning, College of Engineering & Applied Science, and College of Nursing may have additional requirements for direct admission into their majors.

We encourage students to utilize this guide to plan their coursework for their first and second semesters. We highly recommend that students who are interested in transferring contact a UWM Transfer Advisor for more information about additional requirements of specific academic programs.

Recommended Course Plan

If you are interested in obtaining a degree in Art & Design from UW-Milwaukee, the following recommendations have been established to help you plan your MATC coursework. To make sufficient progress towards your degree and to graduate in a timely manner, you are encouraged to transfer to UWM after 1 semester at WCTC.

Due to the specificity of courses, students interested in Art & Design should only attend WCTC for a maximum of one semester. Early interaction with UWM’s course of study is the most effective way of completing degree requirements in a timely manner. It is strongly recommended that you contact an advisor at UWM in the PSOA as soon as possible to discuss transfer options. For more information on course equivalencies, visit Transferology at <https://www.transferology.com/school/uwm> or the Transfer Equivalency Database (TED) at <https://web.uwm.edu/registrar/tools/ted>.
