**Admission Guidelines**

Transfer admission is a holistic and selective process, and no single criterion guarantees admission. The following factors are taken into consideration when reviewing applications:

- Demonstrated satisfactory academic progress
- Successful completion of college-level math and English courses
- Total credit hours completed
- Academic standing at your previous institution

If you have fewer than 12 transferable credits, we will also review your high school academic records.

Please keep in mind that some academic programs within the Peck School of the Arts, School of Architecture and Urban Planning, College of Engineering & Applied Science, and College of Nursing may have additional requirements for direct admission into their majors.

We encourage students to utilize this guide to plan their coursework for their first and second semesters. We highly recommend that students who are interested in transferring contact a UWM Transfer Advisor for more information about additional requirements of specific academic programs.

**Admission to Dance Requirements**

Students must meet the following criteria for entry into either the BA or BFA Dance Programs:

- Pass the Dance Entrance Audition, which is typically scheduled three times per year on Fridays or Saturdays; dates are posted at uwm.edu/arts/apply/ (students who don’t pass may re-audition, limit of 2 auditions per academic year)

The BA requires 54 credits in the Dance curriculum, 42 credits of core (UWM) curriculum, and 24 credits of general electives, 120 credits total. Students pursuing their Bachelor of Arts degree would major in Dance.

If you are interested in obtaining a degree in Dance from UW-Milwaukee, the following recommendations have been established to help you plan your MATC coursework. Because required Dance coursework is only offered at UWM, you are encouraged to transfer to UWM after 1 semester at MATC.

If you are interested in obtaining a degree in Dance from UW-Milwaukee, the following recommendations have been established to help you plan your MATC course work. To make sufficient progress towards your degree and to graduate in a timely manner, you are encouraged to transfer to UWM after 1-semester at WCTC.

Due to the specificity of courses, students interested in Dance should only attend a WCTC for a maximum of one semester. Early interaction with UWM’s course of study is the most effective way of completing degree requirements in a timely manner. It is strongly recommended that you contact an advisor at UWM in the PSOA as soon as possible to discuss transfer options. For more information on course equivalencies, visit Transferology at [https://www.transferology.com/school/uwm](https://www.transferology.com/school/uwm) or the Transfer Equivalency Database (TED) at [https://web.uwm.edu/registrar/tools/ted](https://web.uwm.edu/registrar/tools/ted).
