

# TRANSFER GUIDE

## Waukesha County Technical College (WCTC) to B.F.A. – Music – Peck School of the Arts

### **Admission Guidelines**

Transfer admission is a holistic and selective process, and no single criterion guarantees admission. The following factors are taken into consideration when reviewing applications:

- Demonstrated satisfactory academic progress
- Successful completion of college-level math and English courses
- Total credit hours completed
- Academic standing at your previous institution

If you have fewer than 12 transferable credits, we will also review your high school academic records.

Please keep in mind that some academic programs within the Peck School of the Arts, School of Architecture and Urban Planning, College of Engineering & Applied Science, and College of Nursing may have additional requirements for direct admission into their majors.

We encourage students to utilize this guide to plan their coursework for their first and second semesters. We highly recommend that students who are interested in transferring contact a UWM Transfer Advisor for more information about additional requirements of specific academic programs.

### **Admission to Music Requirements**

Students must meet the following criteria for entry into the BFA Music Programs:

- Earn a minimum 2.00 cumulative GPA on all coursework
- Pass the Music Entrance Audition, which is typically scheduled multiple times per year on Fridays; dates are posted at [uwm.edu/arts/apply/](http://uwm.edu/arts/apply/) (application must be complete 2 weeks prior to audition date)
- Music Education majors must first pass the music entrance audition and then later apply for acceptance into the major based on specific criteria including programmatic courses/ requirements and Department of Instruction (DPI requirements). Must also earn a minimum 2.75 cumulative GPA.

The BFA requires 80-85 credits in Music curriculum, up to 5 credits of electives, and 45 credits of core (UWM) curriculum, 130 credits total. Students pursuing their Bachelor of Fine Arts degree would major in Music studying one of the following Tracks:

- Composition & Technology
- History & Literature
- Performance: Collaborative Piano
- Performance: Guitar
- Performance: Piano
- Performance: Strings
- Performance: Voice or Versatile Voice
- Performance: Winds, Brass & Percussion

If you are interested in obtaining a degree in Music from UW-Milwaukee, the following recommendations have been established to help you plan your MATC coursework. Because most required Music coursework is only offered at UWM, you are encouraged to transfer to UWM after 1 semester.
