

College of Letters & Science

Course Recommendations for Bachelor of Science from the College of Letters & Science

Who can Use this Guide:

- Students who took their first college class in September 2013 or later
- Students who plan to transfer from WCTC to UWM-Milwaukee campus to complete a bachelor of science (BS) degree

If you took any college class anywhere before 09/2013, consult a UWM admissions counselor at let-sci@uwm.edu.

Introduction

Many students choose to start at WCTC and continue their education later at UWM. This guide outlines recommended course selections at WCTC for a student who intends to transfer to the Milwaukee campus to complete a bachelor of science degree.

Note: This guide does not replace the advice of an advisor who can provide personalized guidance based on your particular circumstances and background.

Goal

While at WCTC, students can work towards some of the following degree requirements on a pathway towards a BS from the College of Letters & Science.

- ✓ Arts Requirement (3 credits required) – nothing offered at WCTC satisfies this requirement
- ✓ Oral and Written Communication/English Requirement (English 102 and an advanced class required) - nothing offered at WCTC satisfies this requirement
- ✓ Quantitative Literacy/Math/Formal Reasoning Requirement (Calculus and statistics required) – can be completed at WCTC
- ✓ Natural Science Requirement (12 credits required including three labs) – the types of lab courses required for a BS from UWM are not offered at WCTC
- ✓ Humanities Requirement (12 credits required) – six credits can be completed at WCTC
- ✓ Social Science Requirement (12 credits) – twelve credits can be completed at WCTC
- ✓ Cultural Diversity Requirement (3 credits) – one class is available at WCTC to satisfy this requirement
- ✓ International Requirement (9 credits) – nothing offered at WCTC satisfies this requirement
- ✓ World Language Requirement (2 years of high school or 2 semesters of college) - nothing offered at WCTC satisfies this requirement

Last Updated: September 2021
