2022-23 Special Circumstance Form

There are cases in which a financial aid administrator may use their professional judgement to review a student’s financial aid file and make adjustments that more closely reflect their current financial situation. If you feel you have a special circumstance, please complete this form and submit all four pages along with additional documents as specified. **If forms are incomplete, or you fail to submit everything at the same time, we will return the forms, which will delay processing.** If you have questions, you can make an appointment to speak with a member of our Advising Staff at uwm.edu/meetfinaid.

Please Note:

- Special circumstances are a one-time occurrence and, you should only be request once. In rare cases, a subsequent request may be considered.
- Only undergraduate students should complete this form. Changes in circumstances for graduate students would not result in any changes to your financial aid offer.

- If you have questions, please reach out using our contact information or by making an appointment.
- Submit all documents as early as possible as processing times can take from 4 to 6 weeks. Deadlines to submit documents are indicated below for each term:
