Spring Semester Begins Jan. 24
UWM is set to welcome students back to campus for the start of the spring semester, which begins Monday, Jan. 24. Students who live in the residence halls will move in as scheduled beginning Saturday, Jan. 22. Some courses may shift online for the week of Jan. 24 to provide time for students to secure vaccinations or booster shots, upgraded masks and COVID testing. READ MORE

Vaccination, Booster Clinics Continue On Campus
UWM is urging students, faculty and staff to get their booster doses of the COVID-19 vaccine. Booster shots are a strong defense against severe illness, and are another tool for maintaining the health and safety of the campus community. READ MORE

Overcoming A Poor Start Academically
It's not uncommon for a student (or their parent) to be disappointed in their grades after the first semester or
two of college. Some students even end up on Academic Probation – which can happen to a student if their GPA is under 2.0 after their first semester at UWM. College can be a huge adjustment academically for several reasons. READ MORE

**Getting A 1098-T Form**

It’s tax season and getting a tuition statement and other financial documents is important before filing your taxes. The 2021 1098-T form includes the total dollar amount of qualified tuition less remission billed in a calendar year. It may help determine eligibility for certain education tax credits. READ MORE

**Additional Federal Emergency Aid Available In Spring Semester**

Additional federal aid for students from the Higher Education Emergency Relief Fund (HEERF) will be available during the Spring 2022 term. UWM has already disbursed close to $30 million in HEERF money since the start of the pandemic in March 2020. Based upon current legislation, the funds to be released during the spring 2022 term are likely to be the last. READ MORE

**Overcoming The Winter Blues**

Are the winter blues getting your student down? It just might be Seasonal Affective Disorder. SAD is most common among people living far north or south of the equator, mainly due to the decreased sunlight during the fall and winter months and the accompanying longer periods of darkness. These seasonal changes cause our internal biological clock, or circadian rhythm, to be thrown out of step with our daily schedules. READ MORE

**When Should A Student Pick A Major?**

As the spring semester begins, many families ask if their undecided student should be picking a major. Others ask if it’s OK if their student changes their major. These are common questions. Many students are undecided or change their major while at UWM. In fact over 20 percent of this year’s first-year class was undecided. READ MORE

Beginning To Think About Off-Campus Living
Many UWM students begin to think about living off-campus after a year in the residence halls. And while it may feel like getting ahead and securing a place to live for next school year can be a smart move,
it is often best to wait to sign a lease until 2-3 months before you plan to move in. UWM's Neighborhood Housing Office will offer a variety of programming over the next few months to help students consider a move off-campus. READ MORE
