Student Consumer Information Notice

Dear Students,

In accordance with federal and state regulations, you are being provided required information about the university. Access the student consumer information, using the button below.

[Student Consumer Information](#)

On the website are listed the various items with a brief description of each. The information is broken down into four categories: 1) General Information, 2) Student Financial Assistance, 3) Health & Safety and 4) Student Outcomes. In addition, there is information regarding the Higher Education Emergency Relief Fund Grants.

If you need assistance in obtaining information from the website or you would like paper copies of certain information, contact the [Department of Financial Aid, Student Employment and Military Education Benefits](#).
