

PROMOTING *Diversity* IN UNDERGRADUATE RESEARCH

January 27 | 11:00 - 12:30 pm | Bolton Hall 196

The Office of Undergraduate Research (OUR) and the WiscAMP STEM-Inspire Program invite current and prospective BIPOC (Black, Indigenous, and People of Color) and underrepresented undergraduate research students to learn how the OUR can support them in their research journeys.

Current undergraduate researchers will discuss their research experiences at UWM and how research can aid students in reaching their academic and professional goals.

Light refreshments will be served.

Email Tamara McKinney, Senior Access Coordinator @ talong@uwm.edu to RSVP!
