This letter provides a single-use permission for the University of Wisconsin-Milwaukee logo and attached graduation sign art work.

This artwork should not be altered in any way. This single-use permission applies to any vendor – licensed or unlicensed by UWM – and no royalties apply. The permission is also specific to the creation of a yard sign or similar personal display to celebrate a graduate. Any reproduction of the logo or artwork attached for multiple uses will require a vendor to be licensed and for royalties to be delivered to UWM for the use of its logo.

Should there be any questions about this permission, I can be reached via email at kjoc@uwm.edu.
