

Curriculum Vitae  
**LANCE S. WEINHARDT, Ph.D.**  
 Professor of Community and Behavioral Health Promotion  
 Associate Dean for Research  
 Joseph J. Zilber School of Public Health  
 University of Wisconsin-Milwaukee

**Contact Information**

Address: University of Wisconsin-Milwaukee email: weinhard@uwm.edu  
 Joseph J. Zilber School of Public Health Fax: (414) 227-3002  
 PO Box 413  
 Milwaukee, WI 53201

**Employment**

1999 – 2004 Assistant Professor of Psychiatry and Behavioral Medicine  
 Medical College of Wisconsin

2004 – 2009 Associate Professor of Psychiatry and Behavioral Medicine  
 Medical College of Wisconsin

2006 – 2011 Vice Chair for Professional Development and Academic Affairs, Department  
 Department of Psychiatry and Behavioral Medicine, Medical College of Wisconsin

2007 – 2011 Director, Developmental Core. Center for AIDS Intervention Research (CAIR)  
 Medical College of Wisconsin

2009 – 2011 Professor of Psychiatry and Behavioral Medicine  
 Medical College of Wisconsin

2011 – present Professor of Community and Behavioral Health Promotion, Tenured  
 University of Wisconsin-Milwaukee Joseph J. Zilber School of Public Health

2011 – present Adjunct Professor of Psychiatry and Behavioral Medicine  
 Medical College of Wisconsin

2011 – 2012 Director, Community and Behavioral Health Promotion Ph.D. Program  
 University of Wisconsin-Milwaukee Joseph J. Zilber School of Public Health

2012 – 2013 Associate Dean for Research (Interim)  
 University of Wisconsin-Milwaukee Joseph J. Zilber School of Public Health

2013 – present Associate Dean for Research  
 University of Wisconsin-Milwaukee Joseph J. Zilber School of Public Health

2020 – present Associate Dean for Research  
 University of Wisconsin-Milwaukee, College of Nursing

2020 – present Associate Dean for Research  
 University of Wisconsin-Milwaukee, College of Health Sciences

**Education**

1993 B.S. Major: Psychology. Minor: Computer Science  
 Indiana State University, Terre Haute, IN

1997 M.S. Clinical Psychology  
 Syracuse University Department of Psychology, Syracuse, NY.

1999 Ph.D. Clinical Psychology  
 Syracuse University Department of Psychology (APA Accredited)

### **Additional Training**

1998-1999	Internship in Clinical Psychology. University of Maryland School of Medicine, Department of Psychiatry, Baltimore, MD. (APA Accredited). Mentor Alan Bellack, Ph.D.
2005	Intensive Course in Health and Human Rights. Harvard University School of Public Health. Boston, MA.
2013	Management Development Program (MDP). Harvard Institute of Higher Education, Harvard University Graduate School of Education, Boston, MA. June 2-14.
2013-2014	UWM LGBT Ally and Safe Space Training
2014	UWM Deans' Leadership Academy. May – August.
2020	UWM Center for Excellence in Teaching and Learning (CETL) Online and Blended Teaching Program
2020	UWM Center for Excellence in Teaching and Learning (CETL) Canvas Workshop Series

### **Licensure**

1979-present	Federal Communications Commission. Licensee ID: L00239467. License Class: General. FRN: 0003315173. Call Sign: KA9EFU
--------------	--

### **Professional Memberships**

American Psychological Association, Division 38 (Health Psychology)  
Society of Behavioral Medicine  
American Public Health Association  
American Psychological Society  
American Association for the Advancement of Science  
Global Health Council  
National Council of University Research Administrators

### **Awards and Honors**

1993 - 1998	Syracuse University Graduate Scholarship, Teaching Assistantship, Graduate Summer Fellowship, Administrative Assistantship
1996	Service Award, Society of Behavioral Medicine
2000	Outstanding Dissertation Award, Society of Behavioral Medicine
2012-2013	Dean's Award for Outstanding Faculty Service. Zilber School of Public Health, University of Wisconsin Milwaukee

### **Professional Service**

#### ***Committee Memberships***

1996	Program Oversight Committee, Society of Behavioral Medicine, 4 <sup>th</sup> International Congress of Behavioral Medicine
1996 – 1998	Chair, Society of Behavioral Medicine Student Membership Committee
1996 – 2001	Electronic Communications Committee, Society of Behavioral Medicine
1997 – 1998	Student Representative, Syracuse University Psychological Services Center Director Search Committee
1999	Ad Hoc Committee on Electronic Communications, APA Division 38
2002 – 2007	Member, Human Research Review Committee (IRB), Medical College of Wisconsin

2004 – 2007	Chair, Ad Hoc Committee on Respectful Interactions, Department of Psychiatry and Behavioral Medicine, Medical College of Wisconsin
2004 – 2007	Chair, Human Research Review Committee (IRB), Medical College of Wisconsin
2004 – 2011	Member, Executive Committee, Department of Psychiatry and Behavioral Medicine, Medical College of Wisconsin
2006	Member, Clinical and Translational Science Center Application Planning Committee, Medical College of Wisconsin (Appointed by Dean)
2006	Member, Long Range Strategic Plan Task Force, Medical College of Wisconsin (Appointed by Dean)
2006 – 2011	Chair, Department of Psychiatry and Behavioral Medicine Appointment, Promotion, and Tenure Committee, Medical College of Wisconsin
2011 - 2012	Provost Search Committee (Appointed by Chancellor), University of Wisconsin-Milwaukee
2011 - present	Executive Committee, Joseph J. Zilber School of Public Health, University of Wisconsin-Milwaukee
2011 - 2013	Academic Planning Committee, Joseph J. Zilber School of Public Health, University of Wisconsin-Milwaukee
2012 – 2013	Chair, Biostatistics and Environmental Health Sciences Faculty Search Committees, Joseph J. Zilber School of Public Health, University of Wisconsin-Milwaukee
2012 – 2014	Executive Committee, Biomedical and Health Informatics Research Institute (BHIRI), University of Wisconsin Milwaukee
2013 – 2020	Community Advisory Board, Diverse & Resilient, Inc.
2013 – 2014	Chair, Howe Endowed Chair for Healthcare Transformation Search Committee, University of Wisconsin Milwaukee and Aurora Healthcare (Appointed by Provost)
2013 - 2015	Research Committee, CDC Injury Research Center, Medical College of Wisconsin
2014 – 2019	External Advisory Committee, Self-Management Science Center, UWM College of Nursing, NINR P20
2015	Search Committee, CEO and Director, Diverse & Resilient, Milwaukee, WI.
2016 – 2019	Workgroup on Resiliency and Coping (subgroup of the Chancellors Advisory Committee on Mental Health), University of Wisconsin Milwaukee.
2016 – 2017	Vice Chair, Dean Search and Screen Committee, UWM Joseph J. Zilber School of Public Health
2017 - 2022	Member, Grants Administrator Search Committee for UWM Shared Office of Administration of Research (SOAR)
2017	Member, UWM Health Sciences Librarian Search and Screen Committee
2017 – 2019	Member, UWM Partners for Health Initiative leadership committee
2017 – present	Member, UWM Partners for Health Student Research Symposium Planning Committee
2017 – present	Member, CTSI Scientific Review Oversight Committee, Medical College of Wisconsin
2020 – present	Member, CTSI TL1 Scholars Program Leadership Committee
2022 – present	Wisconsin Public Health Research Network (WPHRN) Steering Committee
2022 – present	Scientific Advisory Committee, Center for Urban Population Health (cuph.org)
2022	UWM Finish Line Award Program Review Committee

### **Journal Editorial and Peer Review Experience**

#### ***Associate Editor***

*AIDS and Behavior* (2006-2010)

*Journal of Behavioral Medicine* (2011-2015)

*Journal of Rural Mental Health*. A journal of the American Psychological Association (2018-2021)

#### **Invited guest editor**

*Behavior Modification*, Special Issue on HIV/AIDS (2005)

**Editorial Boards**

*Health Psychology, AIDS and Behavior*

**Consulting Reviewer**

*Academic Psychiatry*

*Acta Pædiatrica*

*AIDS and Behavior*

*AIDS Care*

*Alcoholism: Clinical and Experimental Research*

*American Journal of Public Health*

*Annals of Behavioral Medicine*

*Archives of Pediatrics and Adolescent Medicine*

*BioMed Central: International Health and Human Rights*

*Clinical Psychology Review*

*Health Psychology*

*Journal of Adolescence*

*Journal of Acquired Immune Deficiency Syndromes*

*Journal of Behavioral Medicine*

*Journal of Consulting and Clinical Psychology*

*Journal of Empirical Research on Human Research Ethics*

*Journal of Sex Research*

*Journal of Urban Health*

*Journal of Women's Health*

*The Lancet*

*Perspectives on Sexual and Reproductive Health*

*Progress in Community Health Partnerships: Research Education and Action*

*Psychological Assessment*

*Psychological Bulletin*

*Psychology of Addictive Behaviors*

*Psychosomatic Medicine*

*Public Library of Science (PLoS) Medicine*

*Tropical Medicine and International Health*

*Women's Health Issues*

**Grant Review Experience**

**Chartered Membership on NIH Grant Review Panels**

2011-2015 Behavioral and Social Science Approaches to the Prevention of HIV (BSPH) review panel, 4-year term

**Grant Review Panel Chair**

2006 Centers for Disease Control and Prevention (CDC) Grant Review Panel, Opt Out HIV Testing in Emergency Departments and Internet-Based Interventions for HIV-Positive Individuals

2010 National Institute on Allergy and Infectious Disease (NIAID/NIH) Grant Review Panel. U.S.-India Bilateral Collaborative Research Partnerships (CRP) on the Prevention of HIV/AIDS and Comorbidities.

2011 NIH/PEPFAR Collaboration for Implementation Science and Impact Evaluation Grant Review Panel

**Grant Review Panel Member**

2001 National Institutes of Health Special Study Section, AIDS and Related Research  
2000 Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Mental Health Services (CMHS), Minority HIV/AIDS Mental Health Treatment Grants  
2001 The Wellcome Trust, United Kingdom  
2002 National Institute of Mental Health (NIMH) Special Emphasis Study Section  
2003 National Institute on Alcohol Abuse and Alcoholism (NIAAA) HIV/AIDS Study Section  
2003 NIMH Special Emphasis Study Section  
2003 National Institute of Allergy and Infectious Disease (NIAID) Study Section  
2004 NIMH Special Emphasis Study Section  
2004 NIMH SBIR/STTR Study Section  
2004 University of California Universitywide AIDS Research Program (UARP)  
2004 National Institute Drug Abuse Study Section, "HIV/AIDS Prevention, Treatment, and Related Health Issues for Highly Vulnerable Youth (RFA DA04-012)  
2004 NIMH SBIR/STTR Study Section  
2004 NIAID Centers for AIDS Research (CFAR) Study Section  
2005 NIMH Special Emphasis Study Section  
2005 Medical Research Council, United Kingdom  
2005 Health Research Board, Ireland  
2005 NIAID, Leadership for HIV/AIDS Clinical Trials Networks application review  
2006, 2007 NIMH, Conference grant reviewer  
2007 NIH Loan Repayment Program application reviewer  
2009 NIH Behavioral and Social Science Approaches to the Prevention of HIV (BSPH) review panel  
2009 NIH Special Emphasis Panel, HIV Prevention Related Grants  
2009 Distinguished Editor, NIH Challenge Grant Review Panel  
2010 NIH Special Emphasis panel, HIV Prevention Related Grants  
2011 NIH Behavioral and Social Science Approaches to the Prevention of HIV (BSPH) review panel, ad hoc member  
2011 NIAID Clinical Trials Network Grant Review Panel  
2011 NIAID PEPFAR Country Intervention Grant Review Panel  
2013 NIAID Prevention for HIV/AIDS Clinical Research Network Leadership Group Review (ZAI1-TS-A-S1)  
2017 NIH Dissemination and Implementation Research in Health (DIRH) Study Section  
2017 NIH Study Section for RFA "Implementation Research to Develop Interventions for People Living with HIV (PRECLUDE)"  
2020 NIH Study Section "Population and Public Health Approaches to HIV/AIDS"

**Invited Research Workgroups/Workshops/Panels**

2001 National Institutes of Health Workgroup. HIV Prevention in Treatment Settings: U.S. & International Priorities. August 3, Bethesda, MD.  
2002 National Institute on Alcohol Abuse and Alcoholism Workshop. Alcohol Use and Sexual HIV Risk Behavior. March 10-11, Chevy Chase, MD.  
2003 HRSA HIV Special Projects of National Significance Grantees Workshop, Invited Speaker, Chicago, IL  
2004 National Institute on Alcohol Abuse and Alcoholism Workshop. Alcohol Use and Sexual HIV Risk Behavior. April 28-29, Bethesda, MD.  
2010 NIMH Multicenter Workgroup on HIV Test & Treat Research, Bethesda, MD.  
2013 NIMH HIV/AIDS Prevention Workgroup, "Finding Those Unaware of Their Infection" Bethesda, MD.

### **Other Service Activities**

1995 - 1996            Developed and maintained Society of Behavioral Medicine Web Site  
1999 - 2004            Web Site Editor, APA Division 38 (www.health-psych.org). 5-year term.

### **Community Service Activities - Elected Office**

2018 - 2019    Shorewood School District Board of Education. Shorewood, WI (Elected to 3-year term).

### **Publications in Peer-Reviewed Journals**

Carey, M. P., **Weinhardt, L. S.**, & Carey, K. B. (1995). Prevalence of infection with human immunodeficiency virus among the seriously mentally ill: Review of the research and implications for practice. Professional Psychology: Research and Practice, *26*, 262-268.

## **Grant Support**

### **As Principal Investigator**

1995 - 1998

Title: HIV Prevention for Seriously Mentally Ill Outpatients (F31-MH11125)  
Individual Predoctoral National Research Service Award  
Funding Agency: National Institute of Mental Health  
Mentor: Michael P. Carey, Ph.D.

Amount of Support: \$42,151 (Direct costs)

Synopsis: This training grant supported several projects, including a randomized trial of a small-group based HIV risk reduction intervention using assertiveness skills training for women with severe mental illness.

2000

Title: Calendar Based Sexual Behavior Interview: Assessment Reactivity Effects

Funding Agency: Center for AIDS Intervention Research, Developmental Core  
Amount of Support: \$5,570 (total)  
Synopsis: This study investigated the degree to which participating in a detailed sexual behavior interview influences motivation for HIV preventive behavior.

- 2000 - 2002  
Title: HIV Risk Reduction for Women with Alcohol Use Disorders (R03-AA12875)  
Behavioral Science Track Award for Rapid Transition  
Funding Agency: National Institute on Alcohol Abuse and Alcoholism  
Priority Score: 135  
Amount of Support: \$150,000 (total)  
Synopsis: This aim of this project is to develop an HIV-risk reduction intervention for women in treatment for alcohol use disorders.
- 2000 - 2001  
Title: Maternal Prenatal Smoking Cessation and Relapse Prevention: Test of a Household Targeted Intervention  
Funding Agency: Medical College of Wisconsin, Tobacco Prevention Research and Education Project Fund  
Amount of Support: \$90,000 (total)  
Synopsis: This project, in collaboration with two community-based organizations in Milwaukee, is a pilot of a household targeted and home-delivered smoking cessation and relapse prevention program for pregnant women.
- 2001 – 2006  
Title: Combining HIV and Alcohol Interventions in Sexually Transmitted Disease Clinics  
Funding Agency: National Institute on Alcohol Abuse and Alcoholism (R01-AA13567)  
Priority Score: 161 (Percentile: 11.4)  
Amount of Support: \$2,521,970 (total)  
Synopsis: This randomized trial is testing the effects of brief treatment for alcohol use disorders and HIV test counseling on risk behavior among STD clinic patients. Development of brief, synergistic health interventions for resource poor settings.
- 2003 – 2004  
Supplement to R01-AA13567  
Funding Agency: National Institute on Alcohol Abuse and Alcoholism  
Amount of Support: \$49,000 (total)  
Synopsis: This supplement supports conducting psychometric studies of the computerized HIV-Risk Timeline Followback interview, with 100 participants.
- 2004 - 2009  
Title: Individually Tailored Computerized HIV Intervention (R01-MH071199)  
Funding Agency: National Institute on Mental Health  
Priority Score: 146 (Percentile: 10.9)  
Amount of support: \$3,113,369  
Synopsis: 5-year project to develop and evaluate the effects of a computer-based sexually transmitted disease risk reduction counseling model for STD clinic patients. Developing brief effective intervention for staff-resource poor public health settings.
- 2007 - 2011  
Title: Experimental Analysis of HIV Assessment Reactivity in South African Clinics  
Funding Agency: NIMH (R01-MH077515)  
Priority Score: 132 (Percentile: 8.1)  
Amount of support: \$2,260,155  
Synopsis: 4-year grant to determine effects of detailed baseline assessments on observed HIV prevention intervention outcomes in impoverished high HIV seroprevalence area of South Africa. Determining how effective science-based HIV prevention interventions are when ported to community-based NGOs.

- 2008 - 2015 Title: Pathways Linking Poverty, Food Insecurity, and HIV in Rural Malawi (R01)  
Funding Agency: National Institute on Child Health and Development (R01-HD055868)  
Priority Score: 143 (Percentile 11.0)  
Amount of support: \$2,532,250  
Synopsis: 5-year study examining the effects on HIV vulnerability of a multi-level intervention involving microfinance, sustainable agriculture training, and food security planning in rural Malawi. Collaboration with University of Wisconsin, Milwaukee, CARE Malawi, CARE USA.
- 2009 - 2011 Core Support: Developmental Core (2P30MH052776-16A1)  
Funding Agency: National Institute of Mental Health  
Amount of support: \$1,561,225  
Synopsis: This award funds the developmental core of the Center for AIDS Intervention Research, supporting developmental grants, seminars, conferences, and staff salaries.
- 2010 - 2017 Title Repeat STI Patients: Individually Tailored Socio-Contextual Intervention to Reduce HIV Risk (R01-MH089129)  
Priority Score: 22 (Percentile: 13.0)  
Funding Agency: National Institute of Mental Health  
Amount of support requested \$3,480,340  
Synopsis: This 5-year project will design and test an intervention to reduce risk of HIV infection among patients presenting with repeat sexually transmitted infections (STI) at an urban public STI clinic.
- 2014 - 2018 Title: Evaluating the Thinking Under the Influence Program, Statewide Expansion  
Funding Agency: Wisconsin Partnership Program (WPP) University of Wisconsin  
Community Partner: Diverse & Resilient, Inc.
- 2019 - 2024  
(scored, not funded) Title: University of Wisconsin Milwaukee Health Promotion and Disease Prevention Research Center (PRC): Creating Healthy and Trauma-Responsive Communities to Reduce Health Disparities (U48-DP006385)  
Funding Agency: Centers for Disease Control and Prevention (CDC).  
Total funds requested: \$3,750,000  
Synopsis: This funding will support the development of a Prevention Research Center at the University of Wisconsin Milwaukee, based in the UWM School of Public Health. The focus of the PRC will be on reducing the burden of chronic disease and health disparities in southeast Wisconsin through the implementation and translation of trauma-informed interventions.

### **Co-Principal Investigator**

- 1999 - 2005 Title: NIMH Collaborative on Health Related Interventions for Persons Living with HIV  
Funding Agency: National Institute of Mental Health  
Type of Grant: Cooperative Agreement (U10 MH57631)  
Role: Co-Principal Investigator and Project Director, Milwaukee site  
Principal Investigators: Jeffrey A. Kelly, Ph.D., Mary Jane Rotheram-Borus, Ph.D., Margaret Chesney, Ph.D., Anke Ehrhardt, Ph.D., Robert Remien, Ph.D., Stephen F. Morin, Ph.D.  
Synopsis: Multi-site randomized clinical trial to evaluate a 15-session one-on-one mental health and HIV transmission risk behavior intervention for HIV positive men and women in four cities. Primary responsibilities include development of intervention protocol, planning and implementing cross-site facilitator training, developing and implementing cross-site quality assurance and quality control procedures, preparing annual renewal

applications and additional reports as needed, attendance at principal investigator, steering committee, and data safety monitoring board meetings, and oversight of all Milwaukee site-specific field activities.

**Investigator**

1999 - 2004

Title: Enhancing HIV Risk Reduction for Persons with Severe Mental Illness through Brief Alcohol Treatment

Funding Agency: National Institute of Mental Health

Type of Grant: R01

Principal Investigator: Laura Otto-Salaj, Ph.D.

Synopsis: In this study, a treatment dismantling design is being used to determine whether focused alcohol abuse treatment enhances the effects of a HIV risk behavior intervention among adults with severe and persistent mental illness.

2000 - 2005

Title: Internet-Based HIV Prevention Technology Transfer with World NGOs

Funding Agency: National Institute of Mental Health

Type of Grant: R01

Principal Investigator: Jeffrey A. Kelly, Ph.D.

Synopsis: Tested effects of an internet-based technology transfer program on adoption of an empirically supported HIV prevention model by community-based organizations in Africa, Latin America, and Central and Eastern Europe.

2001 - 2002

Title: Intervention to Close the Digital Divide in AIDS Care

Funding Agency: National Institute of Mental Health

Type of Grant: R01

Principal Investigator: Seth C. Kalichman, Ph.D.

Synopsis: This project will test the effects on health outcomes of training low-income men and women with HIV/AIDS to use the internet and to evaluate health information. A community technology access center will be constructed within the collaborating AIDS service organization, and will be used for study activities.

2001 – 2005

Title: Internet Based Models to Enhance HIV Prevention Technology

Funding Agency: National Institute of Mental Health

Type of Grant: R01

Principal Investigator: Jeffrey A. Kelly, Ph.D.

Synopsis: Testing the effects of an internet-based technology transfer program on adoption of an empirically supported HIV prevention model by community-based organizations in the United States, compared to in-person training.

2002 - 2007

Title: Brief HIV and Alcohol Combined Interventions for Women (R01-AA13848)

Funding Agency: National Institute on Alcohol Abuse and Alcoholism

Principal Investigator: Allen Zweben, DSW.

Synopsis: This project will test the effects on HIV risk behavior of adding a brief HIV risk reduction intervention to alcohol treatment for women seeking treatment at a local community based organization.

2005-2007

Title: Exploring the Impact of Criminal HIV Disclosure Law (R21-MH073495)

Funding Agency: National Institute of Mental Health

Principal Investigator: Carol Galletly, Ph.D., JD

Synopsis: This project determines the extent to which HIV-positive persons living in Michigan are aware of and understand Michigan's criminal HIV disclosure law; assesses the effectiveness of this law in reducing HIV transmission risk activities; and determines whether the law has any unanticipated negative effects on HIV-positive persons who are

knowledgeable about the law such as increasing perceived HIV-related stigma or perceived need to conceal one's disease.

- 2007-2012  
Title: HIV Intervention Technology Transfer Platform for Effectiveness Research  
Funding Agency: National Institute of Mental Health  
Type of Grant: R01  
Principal Investigator: Jeffrey A. Kelly, Ph.D.  
Synopsis: Further development of internet-based HIV intervention technology transfer platform for world NGOs. Will conduct studies of effectiveness of HIV interventions adopted and implemented by NGOs.
- 2014-2019  
Title: Center for AIDS Intervention Research  
Funding Agency: National Institute of Mental Health  
Type of Grant: P30. \$8,751,273 (total)  
Principal Investigator: Jeffrey A. Kelly, Ph.D.  
Role: Co-Investigator, 7% calendar year effort  
Synopsis: Continued funding to support the Center for AIDS Intervention Research (CAIR). Based at the Medical College of Wisconsin, CAIR is a multidisciplinary HIV prevention research center. CAIR faculty and staff are dedicated to the development, conduct, and evaluation of new strategies to prevent HIV among persons most vulnerable to the disease. CAIR's research also focuses on the prevention of adverse health and mental outcomes among persons living with HIV infection.
- 2016-2018  
(scored, not funded)  
Title: Individual Predoctoral National Research Service Award Predoctoral Fellowship (NRSA F31)  
Funding Agency: NIMH  
Role: Mentor  
Mentee/PI: Steven John, MPH
- 2018-2020  
(not funded)  
Title: Robert Wood Johnson Foundation Matching Service Grant  
Principal Investigator: Young Cho, Ph.D.  
Role: Investigator. Matching team member  
Funding requested: \$700,000  
Synopsis: This two year grant will establish a service and system at the UWM School of Public Health to match applicants referred by RWJF's Evidence 4 Action grant program with community oriented researchers to help improve the scientific rigor of organizations application to increase the likelihood of RWJF funding. The matching team will use their national networks and build a database of scholars who will work with applicant organizations and will monitor the progress and success of the applicants' projects.
- 2020-2025  
(renewal not funded)  
Title: Center for AIDS Intervention Research  
Funding Agency: National Institute of Mental Health  
Type of Grant: P30  
Principal Investigator: Jeffrey A. Kelly, Ph.D.  
Role: Co-Core Director, Dissemination and Implementation Science Core, 20% calendar year effort  
Synopsis: Continued funding to support the Center for AIDS Intervention Research (CAIR). Based at the Medical College of Wisconsin, CAIR is a multidisciplinary HIV prevention research center. CAIR faculty and staff are dedicated to the development, conduct, and evaluation of new strategies to prevent HIV among persons most vulnerable to the disease. CAIR's research also focuses on the prevention of adverse health and mental outcomes among persons living with HIV infection.

## **NIH Grant Consultancies**

Christianne Brems, University of Alaska Fairbanks, Michael P. Carey, Syracuse University, Ramani Durvasula, California State University, Los Angeles, Dennis Fortenberry, Indiana University School of Medicine, Cheryl Gore-Felton, Stanford University, Kenneth Griffin, Cornell Medical School, Deborah Hasin, Columbia University, Seth C. Kalichman, University of Connecticut, Dean Cruess, University of Connecticut, Jennifer Walsh, Brown University

## **Teaching and Mentorship**

### **Research Mentorship**

- Primary mentorship of postdoctoral fellow, Dr. Katie Mosack (2004-2006) Became Associate Professor of Psychology with Tenure, University of Wisconsin, Milwaukee. Mentorship activities with Dr. Mosack included weekly meetings, oversight and guidance on her post-doc projects, writing and editing assistance, journal peer-review training, oversight of data analysis, assistance in publishing, career advice, and assistance with job applications and negotiations.
- Primary mentorship of postdoctoral fellow (2008-2010), Dr. Julia Lechuga. Ph.D. from University of Texas El Paso. Currently Assistant Professor, Lehigh University College of Education.

Mentorship activities with Dr. Lechuga included weekly meetings, oversight of project development, writing and editing assistance, journal review training, oversight of data analysis, research team management training, assistance in publishing, and assistance with job application planning.

- Primary mentorship of Medical College of Wisconsin junior faculty member, Dr. Laura Glasman, Assistant Professor of Psychiatry and Behavioral Medicine.

Mentorship activities with Dr. Glasman included weekly meetings, oversight and assistance with her developmental grant projects, assistance with NIH applications, writing and editing assistance, journal review training, oversight of data analysis, assistance in publishing, and involvement and training in international research team leadership.

- Mentorship of former Medical College of Wisconsin postdoctoral fellows: Dr. Michael Smith, Assistant Professor of Psychology, Susquehanna University; Dr. Michael DiMarco; Dr. Mark Vosvick, Assistant Professor of Psychology at the University of North Texas; Dr. Kate Ksobiech; Dr. Michelle Broaddus, Dr. April Winningham, Assistant Professor at University of Arkansas; Dr. Eric Benotsch, Assistant Professor of Psychology, University of Colorado, Denver.

Activities with these postdocs included regular research training seminars, assistance with manuscript preparation, assistance with project development, career advice, data analysis assistance, providing exposure and training in journal manuscript reviewing.

- Mentorship of junior faculty member Alice F. Yan, Ph.D., Joseph J. Zilber School of Public Health, now Associate Professor
- Mentorship of junior faculty member Linnea Laestadius, Ph.D., Joseph J. Zilber School of Public Health, now Associate Professor
- Mentorship of junior faculty member Heidi Luft, Ph.D., RN, UWM College of Nursing

**Ph.D. Students Mentored, University of Wisconsin-Milwaukee Zilber School of Public Health**

2012-2016 Steven John (Graduated). Currently Assistant Professor of Psychiatry and Behavioral Medicine, Medical College of Wisconsin.  
2013-2017 Lindsay Emer (Graduated)  
2015- Immaculate Apchemengich (Dissertation proposed)  
2015- Darren Rausch (Dissertator status)  
2016- Bernadette Okwu (Graduated)  
2016- Hui Xie (Alice Yan primary advisor; Dissertation proposed)  
2018- Shailja Tiku (Dissertation proposed)  
2018- Maren Hawkins (Graduated). Assistant Professor of Public Health, Carroll University  
2020- Daniel Holliday

**Dissertation Committees**

2015, Chair Steven John, MPH. Ph.D. Candidate in Public Health, Community and Behavioral Health Promotion  
*(Defended August 2016)*  
Dissertation title: *Patient-Delivered Partner Therapy: Development of a Biomedical and Behavioral Science Intervention for a Community-Based Public Health STI Clinic*

2016, Chair Lindsay Emer, Ph.D. Candidate in Public Health, Community and Behavioral Health Promotion  
*(Defended December 2017)*  
Dissertation Title: *The relationship between childhood blood lead levels and firearm violence perpetration and victimization in Milwaukee*

2016 Silvia P. Salas Pizaña, Ph.D. candidate in Counseling Psychology.  
*(Defended August 2019)*  
Dissertation Title: *Transgender Latin@ immigrants: Exploring the intersections of ethnic and gender identity within an immigration context.*

2017 Hui Xie, Ph.D. Candidate in Public Health, Community and Behavioral Health Promotion

2019 Nikolas Lambrou. Ph.D. in Counseling Psychology  
*(Defended August 2019)*  
Dissertation title: *Identity Development in Transgender Men: Making Meaning in Gender and Transition*

2019 Linda Marie Wesp, RN, Ph.D.  
*(Defended May 2019)*  
Dissertation Title: *Exploring Experiences of Caregiver Support Among Transgender Youth of Color through Secondary Qualitative Narrative Analysis*

2018 Rose Hennessy, Ph.D. Public Health, Community and Behavioral Health Promotion  
*(Defended May 2020)*  
Dissertation title: *Evaluation of a Bystander Program to Increase Communication Strategies using the Integrated Model of Behavioral Prediction*

2020, Chair Bernadette Okwu, Ph.D. Candidate in Public Health, Community and Behavioral Health Promotion  
*(Defended March 2022)*

Dissertation title: *Qualitative Assessment of Screening Behavior for Sexually Transmitted Diseases among African American Women in Milwaukee Using the Integrated Behavioral Model*

- 2020, Chair      Immaculate Apchemengich, Ph.D. Candidate in Public Health, Community and Behavioral Health Promotion  
(Proposed April 2021)  
Dissertation Title: *Quantitative Study on Theory-Based Predictors of Internet-Accessed Testing for Sexually Transmitted Infections Among Young Adults in the United States Using a Large MTurk Sample*
- 2021              Dede Hesse, Ph.D. Candidate in Public Health, Community and Behavioral Health Promotion.  
(Proposed June, 2021)  
Dissertation Title: *Perinatal Depression in Accra, Ghana: Consequences for Maternal Health*
- 2021, Chair      Maren Hawkins, Ph.D. Candidate in Public Health, Community and Behavioral Health Promotion  
(Defended June 2022)  
Dissertation Title: *Understanding the Health-Impacting Experiences of Russian and Spanish-Speaking Immigrants in Milwaukee: A Community-Engaged Qualitative Photovoice Study*
- 2022              Wuttiorn (Gaew) Rerkamnuaychoke, Ph.D. Candidate in Environmental Health Sciences  
Dissertation Topic: *Consequences of the exposure to Chloroxylenol in developmental neurobiology using a zebrafish model.*

#### **Ph.D. Qualifying Examination Committees**

- 2015              Steven John, Joseph J. Zilber School of Public Health, Chair  
2016              Lindsay Emer, Joseph J. Zilber School of Public Health, Chair  
2017              Linda Wesp, College of Nursing  
2018              Immaculate Apchemengich, Joseph J. Zilber School of Public Health, Chair  
2019              Jennifer Campbell, Joseph J. Zilber School of Public Health  
2019              Bernadette Okwu, Joseph J. Zilber School of Public Health, Chair  
2020              Shailja Tiku, Joseph J. Zilber School of Public Health, Chair  
2020              Stephanie Moravec, Joseph J. Zilber School of Public Health  
2020              Emma Kreuger, Joseph J. Zilber School of Public Health  
2022              Meghan Benson, Joseph J. Zilber School of Public Health  
2022              Emily Deal, Joseph J. Zilber School of Public Health  
2022              Wuttiorn Rerkamnuaychoke, Joseph J. Zilber School of Public Health

#### **MPH Students Advised, University of Wisconsin-Milwaukee Zilber School of Public Health**

- 2011-2012      Stephanie Shabangu  
2012-2013      Michael Stevenson, Sandile Nukuna, Stephanie Shabangu  
2013-2014      Michael Stevenson, Sandile Nukuna, John Xiong, Stephanie Shabangu  
2014-2016      Zach Zeyen, Shelby Jo Fritsch  
2018-2019      Mackenzie Ringle, Erica Steib, Robert Schafer, Emma Bukowski  
2019-2020      Megan Majors, Breanna-Rose Olson, Kiran Sehgal

**Ronald E. McNair Post Baccalaureate Achievement Program Fellowship Mentees**

2018 Ashley Lopez

**Tenure and Promotion Evaluations for other institutions**

Brown University  
Medical College of Wisconsin (5)  
University of California San Diego  
University of Connecticut  
Alpert Medical School at Brown University (3)

**Courses and Practica**

- 1992 Teaching Assistant, Human Sexuality, Indiana State University.  
Facilitated a weekly meeting of undergraduates to discuss interpersonal and cultural issues relevant to course content. Duties included grading essays and writing examination questions.
- 1993 - 1994 Teaching Assistant, Introductory Psychology, Syracuse University.  
Led six weekly recitation sections of 25 undergraduates each (responsibility for 150 students) in an introductory psychology course. Responsibilities: lecture preparation, designing classroom demonstrations, leading discussions, grading written assignments and participation, assisting students individually, and assigning final grades.
- 1996 Instructor, Syracuse University, Department of Psychology  
Title: Sexual Behavior Interviewing  
Title: Behavioral Skills Assessment for HIV Prevention  
Title: Skills-Based HIV Prevention for Severely Mentally Ill Women  
Taught three separate semester-long independent study/practicum courses for a total of seven undergraduate students. Designed syllabi and led weekly seminars to discuss assigned readings. Provided daily supervision for intervention group facilitation. Trained students in administration of sexual behavior interview protocols and provided weekly supervision.
- 1998 Instructor, Syracuse University, Department of Psychology  
Title: Social Skills Training for Persons with a Severe Mental Illness.  
Taught three undergraduate students in semester-long independent study course. Designed syllabus and led weekly seminar to discuss assigned readings. Provided training and weekly supervision as students rated videotapes of role-played interactions.
- 2000 Instructor, Medical College of Wisconsin.  
Title: HIV Prevention Intervention Overview Course.  
Four-day team-taught course for 15 visiting public health officials from Russia, China, Cameroon, and India.
- 2000-2011 Co-Instructor, Medical College of Wisconsin.  
Title: Foundations of HIV Prevention Research Seminar.  
Team-taught year-long course for post-doctoral fellows and visiting international fellows.
- 2001 Instructor, Medical College of Wisconsin.  
Title: Foundations of Human Behavior  
Taught principles of normal psychological development, psychopathology, social aspects of medical patient presentation, and critical thinking skills to first year medical students using problem-based learning approach.

- 2012 - present Instructor. University of Wisconsin-Milwaukee School of Public Health  
Title: Seminar in Public Health Research, PH801  
Immersion in interdisciplinary public health research, focusing on study design and causal inference, critical review of empirical studies, and development of comprehensive literature review. Core first semester course for all Ph.D. students across programs in the School of Public Health.
- 2014 - present Instructor. University of Wisconsin-Milwaukee School of Public Health  
Title: Research Design in Community and Behavioral Health Promotion, PH827  
In depth study of quantitative, qualitative, and mixed methods approaches to interdisciplinary public health research, focusing primarily on community health applications. Core course for all Ph.D. students in the Community and Behavioral Health Promotion.
- 2015 and as needed Instructor: University of Wisconsin-Milwaukee School of Public Health  
Title: Introduction to Public Health, PH101  
Public health is concerned with the health of the community as a whole. A public health perspective views the health of a population as influenced by social, cultural, behavioral, biological, environmental, and economic factors. Public health researchers and practitioners work to prevent disease and promote health in populations through scientific research, policy development, and health education. In addition to examining the population health approach to public health, this course will present the principles of evidence-based public health and tools, provide an introduction to the history, science and principles of public health, and will provide an overview of the US health care system, as compared to health care systems in other developed countries. UWM General education requirement course option.
- 2017 Instructor, University of Wisconsin-Milwaukee School of Public Health  
Title: Independent Study in Professional Development in Public Health, PH919  
Taught a required course for Ph.D. student advisee, covering theory building and integrative literature reviews, developing high quality presentations, conducting public health case studies, grant writing and reviewing, and developing job talk presentations for different types of employment opportunities.

**Other Invited Lectures (selected)**

- 1994 Educational Psychology, Syracuse University. Title: Sex education in public school systems.
- 1998 Colgate University, Hamilton, NY. Title: HIV-Prevention Research at Syracuse University.
- 1999-2004 Medical College of Wisconsin, HIV Prevention Postdoctoral Fellow Research Methods Seminar. Title: Meta analysis and research synthesis.
- 1999-2004 Medical College of Wisconsin, HIV Prevention Postdoctoral Fellow Research Methods Seminar. Title: Outcome assessment in HIV prevention research.
- 2000 Psychiatry Resident Seminar, Medical College of Wisconsin, Milwaukee, WI.  
Title: Cognitive-Behavioral Interventions in HIV Disease
- 2000 Marquette University, Milwaukee, WI. Title: HIV and Psychopathology
- 2001-2003 Psychiatry Resident Seminar, Medical College of Wisconsin, Milwaukee, WI.  
Title: Motivational Interviewing and Behavior Change
- 2003 University of Maryland, Baltimore County. The relation of alcohol use to sexual risk behavior.
- 2003 University of Connecticut, Storrs. HIV Prevention Research: Assessment and Intervention Technology.
- 2011 UW-Milwaukee, 'On Public Health' Series. Studying the effects of economic development programs on health outcomes in rural Malawi.

**Research-Related Teaching (selected)**

2000 – 2001 NIMH Healthy Living Project Intervention Facilitator Training. Planned and implemented three separate and distinct week-long training sessions for mental health professionals hired to work as therapists on a multisite behavioral intervention project for HIV-positive individuals. Developed 15-session intervention counseling protocol that the staff were taught, trained MCW staff to assist with counselor training sessions, developed facilitator evaluation and certification procedures, developing training materials such as videotapes and required readings, conducted logistical planning, and implemented the trainings with approximately 45 facilitators each in Los Angeles, New York City, and Milwaukee.
