Program to Program Articulation Agreement

Milwaukee Area Technical College Associate Degree: Human Services A.A.S.

Helen Bader School of Social Welfare at UWM: Social Work B.S.W.

Effective Date: Fall 2014

Review Date: Fall 2019

Rationale:

Milwaukee Area Technical College (MATC) offers a two-year degree that focuses on preparing students for employment in schools, social service, or community corrections agencies specializing in providing assistance to individuals and/or groups of individuals. The University of Wisconsin - Milwaukee's (UWM) baccalaureate degree program in social work seeks to enhance students' understanding of the role of social work in society and the ways in which social forces shape the quality of service provided by the social service system. A bachelor's degree has become necessary for social workers to function in that capacity and be certified by the State of Wisconsin.

Many Milwaukee-area students interested in careers in social work begin at MATC in order to move quickly into human service jobs, but later discover that they are interested in pursuing a bachelor's degree. UWM has accepted credits from the Human Service program under an informal articulation with the UWM social work program. This articulation agreement formalizes the transfer of credits from the Human Services associate degree program at MATC to the Social Work bachelor's degree program at UWM.

Requirements:

Students must earn the A.A.S. degree in Human Services from MATC and meet all UWM transfer admission requirements specified at transfer.uwm.edu. The agreement only applies to students who are pursuing a Social Work degree at UWM.

MATC/UWM Course Equivalencies:

Students earning the Human Services Associate Degree from MATC will be able to transfer the credits listed in Table 1 toward the Social Work Degree Program in the Helen Bader School of Social Welfare at University of Wisconsin – Milwaukee (UWM).

Program-to-program transfer courses/credits are accepted only for the program/degree specified in this agreement. A change of major/degree/program invalidates these courses/credits for transfer unless they are approved within some other Program-to-Program Articulation Agreement for a different major/degree/program at UW-Milwaukee.

A full list of requirements for the UWM Social Work Degree Program can be found at http://www4.uwm.edu/hbssw/social_work/sw_bs/index.cfm. Students can use the UW Transfer Information System (www.uwsa.edu/tis) to view how MATC college-parallel courses transfer to UWM.
