For information on how College-Parallel and General Education courses transfer from MATC to UWM, consult the UW System Transfer Information System website: <http://tis.uwsa.edu>.

ADDITIONAL CONDITIONS:

1. The UW-Milwaukee baccalaureate candidate must also meet UWM's General Education Requirements and any additional Level 1 requirements of the School of Architecture and Urban Planning (SARUP).
2. Completion of SARUP Level 1 requirements does not guarantee admission to the Level 2 program of study. Admission to Level 2 also requires a minimum grade point average of 2.75 in both the overall college record and required Level 1 architecture courses. Students must also pass a Level 2 design portfolio review. If you are granted Level 2 acceptance, Architecture 200 and Architecture 201 will be waived for you.
3. Program-to-Program transfer courses/credits are accepted only for the degree specified in this agreement. A change of major invalidates these courses/credits for transfer unless they are approved with some other Program-to-Program Articulation Agreement for a different major at UW-Milwaukee.
4. Course equivalencies specified in this articulation agreement are subject to change in the event that the course curricula of either institution undergo revision.
5. The maximum number of credits that can be transferred from MATC to UWM is 72.
6. This agreement may not apply to students who completed coursework at the School of Architecture and Urban Planning prior to enrolling at MATC.
7. A minimum grade point average of 2.50 on at least 24 credits of transferable MATC coursework is required to transfer to the School of Architecture and Urban Planning.
