**Moraine Park Technical College
Business Management and Administration
AAS Accounting (10-101-1)**

to

**The Board of Regents of the University of Wisconsin System on behalf of
University of Wisconsin-Milwaukee (UWM)
Lubar School of Business
BBA Accounting**

Effective Date: 02/01/2022

Next Review Date: 02/01/2027

New Agreement

Revised Agreement

Agreement Description and Rationale:

This articulation agreement is designed to maximize the transferable credits from the Moraine Park Technical College AAS Accounting program to the Lubar School of Business BBA Accounting degree. Based on review of course descriptions and syllabi in both programs, this agreement allows students to complete an associate of applied science degree at Moraine Park and build an understanding of the introductory concepts being taught to enter the Lubar School of Business. The agreement will also allow a student at Moraine Park to start their General Education Requirements.

Admission Requirements/Conditions:

Students must meet all standard UWM admissions requirements to be eligible for participation in this agreement. Information on transfer admissions requirements may be found at transfer.uwm.edu.

In addition, the following conditions will apply:

- Once a student is admitted to UWM, every business student must complete the following requirements to advance to their business major:
 - Attain Junior Standing (56 credits)—will be met by AAS degree completion
 - Satisfy Oral and Written Communication Requirement Part A (Complete the English sequence [ENGLISH 100/101 & 102] with a “C” or better in ENGLISH 102 or place out of ENGLISH 102 or transfer in an OWCB course with a “C” or better.)
 - Satisfy Quantitative Literacy Requirement Part A (Complete the math sequence [92/102/75 + 105, 94 + 105, or 98/108] with a grade of “C” or better in MATH 105/108 or place out of MATH 105/108 or transfer in a QLB course with a “C” or better.)
 - Complete the following six business foundation courses with a GPA of 2.25 or higher:
 - Courses included in AAS Accounting curriculum:

Gateway Course	UWM Course
101-112, 114, & 115 Accounting 1, 2, & 3 (“B” or better required)	BUS ADM 201 Intro to Financial Accounting (“B” or better required)
101-138 Data Mgt & 145 Integrated Acct Apps	BUS ADM 230 Intro to Information Tech Mgt
801-198 Speech or 801-196 Oral/Interpersonal Communication	COMMUN 103 Public Speaking or COMMUN 105 Bus & Professional Comm

- Courses not required for the AAS Accounting degree. May be met prior or after transfer.

Gateway Course	UWM Course
N/A	ECON 103 Principles of Microeconomics
N/A	ECON 104 Principles of Macroeconomics
N/A	MATH 211 Survey of Calculus or MATH 208 Quantitative Models for Business

- Obtain a cumulative GPA of 2.5 or above in ALL coursework, including transfer coursework

Articulation Transfer Agreement Terms:

The terms of this agreement apply to Moraine Park students who successfully complete the AAS Accounting degree, meet the conditions set forth herein for UWM’s Lubar School of Business, and enroll in the Bachelor of Business Administration Accounting program.

The AAS in Accounting will transfer to UWM’s Lubar School of Business BBA in Accounting degree in accordance with the following:

- The Moraine Park associate degree must be posted on an official transcript in order for this agreement to be applied.
 - Students actively enrolled in the AAS degree and expecting to complete it prior to enrollment may be admitted under the general terms of this agreement, pending receipt of a final, degree-bearing transcript.
 - Without associate degree completion, course-by-course transfer rules will be referenced, and some equivalencies identified in this agreement may no longer apply.
- A minimum of 66 credits earned toward the AAS degree will transfer as stipulated in Appendix A.
- Course equivalencies specified in this articulation agreement are subject to change in the event that either curriculum for the AAS degree or BBA major undergoes revision.

All credits applied to associate degree requirements, including credits accepted in transfer or awarded through prior learning assessment, will be recognized by UWM and transfer as applied by the associate degree-awarding institution.

Program-to-program transfer courses/credits are accepted only for the UWM program/degree specified in this agreement. A change of major/degree/program may invalidate these courses/credits for transfer unless they are approved within some other transfer agreement for a different major/degree/program at UWM.

Coursework taken in addition to what is required for the associate degree will be evaluated on a course-by-course basis and transferred in accordance with routine UWM transfer policy. A maximum of 72 credits can be transferred from Moraine Park to UWM. Information on the transferability of specific, non-articulating courses may be found in Transferology (www.transferology.com) or UWM’s Transfer Equivalency Database (TED) (ted.uwm.edu). For UWM General Education Requirement (GER) transfer requirements, refer to Appendix B.

Graduation Requirements/Policies:

In addition to meeting all General Education and major requirements, students must satisfy the following to receive a BBA degree at UWM:

- 2.25 overall GPA (UWM courses only)
- 2.25 overall GPA (UWM and all transfer coursework combined)
- 2.50 Business and Economics GPA (UWM courses only)
- 2.50 Business and Economics GPA (UWM and transfer course work)
- A minimum of 30 credits must be completed in residence at UWM.
- A minimum of 12 credits must be completed in residence at UWM in each Business Administration major.
- A minimum of 120 applicable credits are required for graduation for all majors. At least 50% of the business credit hours required for the business degree must be completed at UWM.
- Students must earn their last 30 credits at UWM. BBA degree and major requirements must be completed within 10 years of initial enrollment at UW-Milwaukee. Should students not complete the degree and major within the 10-year time frame, the students will switch to the most current degree and major requirements. A new 10-year time frame would then begin.

Transfer course/credit articulation tables showing how the AAS in Accounting from Moraine Park transfers to UWM Accounting BBA program appears in Appendix A. Some coursework may be combined to meet requirements within the

BBA Accounting major. Also, some courses that ordinarily do not transfer may do so under the terms of this agreement. Without associate degree completion, some coursework/equivalencies outlined in this agreement may not transfer as indicated.

Institutional Commitment:

This agreement is based on curricula in place for the 2021-22 academic year (see Appendix C). The terms of this agreement may be applied to degrees completed prior to 2021-22 upon individual review to ensure consistency in the curriculum. This agreement is valid for a period of five years. Both Moraine Park and UWM agree to provide periodic updates in the instance that requirements for either of the programs change. At the end of the effective period, the terms of the agreement will be reviewed, updated as necessary, and continued if agreed upon by both parties.

In the instance either school wishes to end the agreement, 180-day advanced notice is required. Any students who have applied, been admitted, and/or have matriculated while the agreement was active will be allowed to continue under its original terms.

Moraine Park and UWM will make the terms of this agreement public and may develop marketing materials for its promotion. Each institution will provide advising as appropriate to interested students regarding this agreement. The two institutions agree to provide information necessary to aid in the successful transfer of these students and their academic credits.

Both institutions reserve the right to review and approve marketing materials created for the promotion of this agreement and will adhere to stated standards for the use of their respective names and logos. Furthermore, each institution assumes responsibility for communicating and marketing this agreement to its student population. Links to this agreement may be provided and should be maintained regularly, with notification to the other institution.

Approved by:

Appendix A: Program-to-Program Transfer Table

Moraine Park Technical College
Business Management and Administration
AAS Accounting (10-101-1)
to
The Board of Regents of the University of Wisconsin System on behalf of
University of Wisconsin-Milwaukee (UWM)
Lubar School of Business
BBA Accounting

The following table outlines a possible transfer scenario, showing how the associate degree applies to the bachelor's degree and which requirements remain to complete at UWM. To maximize credit transfer, some substitutions may be identified, which may impact credit amounts. While every effort is made to maximize credit transfer, lack of alignment between degree programs and levels may require students to exceed 120 credits to meet all graduation requirements. Transfer results will differ based on individual students' transcripts.

Appendix B: University General Education Requirements (GER)

**Moraine Park Technical College
Business Management and Administration
AAS Accounting (10-101-1)
to
The Board of Regents of the University of Wisconsin System on behalf of
University of Wisconsin-Milwaukee (UWM)
Lubar School of Business
BBA Accounting**

General Education Requirements (GER) give structure to each student’s education while providing the student the greatest possible freedom to design an individual academic program. These requirements include two major categories: **competency and distribution.**

Competency requirements are designed to assure proficiency in oral and written communication (OWC Parts A & B), quantitative literacy (QL Parts A & B), & foreign languages.

Distribution requirements are designed to provide students with a broad body of knowledge in the areas of the arts, humanities, natural sciences, and social sciences as a foundation for specialization.

The table below outlines the University of Wisconsin-Milwaukee’s GER requirements. Note that College of Letters and Science majors must complete GER coursework beyond what is listed here. Some programs/majors will require specific coursework for certain competency and distribution requirements. Consult with an advisor early in your academic career to ensure that you choose the best coursework for your intended program of study.

GER Category	Min. Credits	Fulfilled by
Competency Requirements		
OWC-A	0-3	1. C or higher in ENGLISH 102 or equivalent 2. An appropriate placement score or recognized test credit
OWC-B	3	An approved advanced course with a significant written or oral communication component.
QL-A	0-3	1. C or higher on approved math coursework at UWM or in transfer 2. An appropriate placement score or recognized test credit
QL-B	3	An approved course as determined by the major. QL Part B courses make significant use of quantitative tools in the context of other course material.
Foreign Language	0-6	1. Successfully passing two consecutive years of high school-level instruction in a single foreign language, 2. Successfully passing two consecutive semesters of college-level instruction in a single foreign language, or 3. Demonstrating foreign language ability equivalent to two semesters of a single foreign language by earning a satisfactory score on an approved placement, proficiency, departmental, or other examination.
Distribution Requirements		
Arts	3	A course in the history, philosophy, theory, or practice of the creative and interpretive arts.
Humanities	6	Two courses that address questions, issues, and concepts basic to the formation of character and the establishment of values in a human context. Common subject areas include art history, history, language

		and literature, philosophy, religious studies, and film and media studies.
Natural Sciences	6	At least two courses; one must include laboratory or field experience illustrating the generation and testing of data and the application of concepts and knowledge to the solution of problems.
Social Sciences	6	Two courses dealing with the study of human behavior, human cultural and physical variation and evolution, and the organization, development, and consequences of human activity, both past and present.
Cultural Diversity	0-3	As part of the distribution requirements, one course must pertain to the study of the life experiences of African Americans, Latino/Hispanic Americans, American Indians, or Asian Americans.

Moraine Park Technical College GER Transfer Courses

The following list can be consulted to find Moraine Park courses that meet UWM GER requirements. This list is not meant to be exhaustive. There may be additional Moraine Park courses that are transferrable as GER equivalents. Please consult with an advisor; both Transferology (www.transferology.com) and the Transfer Equivalency Database (TED) (ted.uwm.edu) offer searchable databases that indicate GER status.

Competency—OWC-A:

N/A

Competency—OWC-B:

801-197 Technical Reporting

Competency—QL-A:

804-118 Intermediate Algebra w/ Apps
804-195 College Algebra w/ Apps

804-196 Trigonometry w/ Apps

Competency—QL-B:

804-189 Introductory Statistics

Competency—Foreign Language:

College coursework in a foreign language through the second semester.

Distribution—Arts:

N/A

Distribution—Humanities:

801-198 Speech

809-166 Intro to Ethics: Theory & Application

Distribution—Natural Sciences (+ indicates lab credit):
