

## Gainful Employment Disclosures – 2019

**Program Name:** Rhetorical Leadership

**This program is designed to be completed in 1 year. Additional Information:** Although the Rhetorical Leadership Certificate requires only 15 credits, the required classes for the program may be scheduled so that they are spread across a three-year cycle so that other curricular needs of the department can be met (e.g., sufficient variety of course offerings for degree-seeking students who are staying for some years). Thus, one may need to take courses part-time across a period of years, depending on when those required courses are scheduled and when a student enters the Certificate program, in order to complete the requirements.

**This program will cost \$11,830 for in-state tuition and fees, \$24,868 for out-of-state tuition and fees, and \$800 for books and supplies, if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed.**

**Of the students who completed this program within normal time, the typical graduate leaves with \$N/A of debt.** Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.
